DIRECTORATE OF EDUCATION: SPORTS BRANCH  
CHHATRASAI STADIUM: MODEL TOWN: DELHI-110 009

No. DE/41/Sports/MISC/2022/ 8956-60

Dated: 30/11/2022

**CIRCULAR**

**Sub:- Encouraging participation of Govt./ Pvt./ Aided schools in utilising Sports infrastructure.**

Directorate of Education & Sports has developed a number of Sports infrastructure facilities i.e., Stadiums/Sports Complexes/ Sports Centres/ Swimming pools etc. (list enclosed). The Directorate intends active participation of students in various games, which will not only keep them physically fit, but may also result in developing them as a player, who may participate at National/ International level as well. The department has engaged professional coaches in stadia/ complexes, where serious training is imparted to the budding athletes. The result of students of Delhi at various National/ International Sports events has been very encouraging and promising. However, it is felt that the students are not availing the facilities of our stadia/ sports complexes to its potential.

It is therefore, requested to the Head of the institution of schools to depute your Physical Education Teachers to visit our nearby stadia/ complexes & simultaneously encourage your students to avail these sports facilities, so that they may excel in their sports career as well. Our Incharges/ Coaches of the nearby stadiums have been deputed to approach you in this regard so that our sports facilities are utilized to its maximum capabilities. It is further informed that the sports coaching is offered in both sessions i.e. Morning and Evening in our stadiums/ sports complexes.

Your cooperation & participation in this regard shall be highly appreciated.
