ONLINE APPLICATION

DOE Delhi

https://play.google.com/store/apps/details?id=in.nic.edudel.doe&pcampaignid=web_share

About this app

The Application is aimed to make education management in Delhi paperless. By using this application teachers and principals can mark and view students attendance. This application has also features of managing timetable and teacher arrangements in classes. It has an admin module for higher authorities of Delhi education department which enables them to monitor attendance report of schools district, zone and specific school wise.

Directorate of Education Govt. of NCT of Delhi built the DOE app as a free app. This app is provided by Directorate of Education.
