**Chief Minister of the National  
Capital Territory of Delhi,  
Republic of India  
Shri Arvind Kejriwal**

**Dear Mr. Kejriwal!**

On 6<sup>th</sup> – 13<sup>th</sup> December 2021 the Moscow City Government will be holding VI International Olympiad of Metropolises (hereinafter – Olympiad of Metropolises). This event annually gathers teams of schoolchildren from different cities around the world for a competition in general education disciplines.

However, due to the current epidemiological situation, caused by the spread of the coronavirus (COVID-19), this year the Moscow City Government decided to hold the Olympiad of Metropolises in a mixed multisite format, using remote information and communication technologies.

Designated employees from each city need to provide a venue in their city in compliance with the sanitary and epidemiological measures undertaken on their territory. The venue shall provide the possibility of video surveillance, stable Internet connection, office equipment for the printing and scanning of the participants' works.

More detailed information, rules for organizers and link to online registration will be posted soon on the website: <http://megapolis.educom.ru/en>.

Teams of 8 pupils aged 14 – 18 are invited to participate in competitions in 4 general disciplines: Mathematics, Computer Science, Chemistry and Physics (two students in each subject).

Participation in the upcoming VI Olympiad of Metropolises is possible in two formats:

1. Main scoring – 2 main rounds and a team blitz contest;
2. Blitz contest – for the less experienced teams who want to progress, but are not yet ready to compete at the level of international Olympiads.

I am therefore glad to invite a team of pupils from Delhi to take part in the VI International Olympiad of Metropolises in one of the abovementioned formats.

In case of your interest, I would like to ask you to confirm the participation of representatives of Delhi in the Olympiad of Metropolises and register participants on the above website **until November 24, 2021.**

I am certain that the participation of your city in such a significant event would become an important step in realization of the global education development mission, as well as would have a positive impact on the strengthening of partnership relations between our cities, especially in such a difficult period of our lives.

Contact details of the Organizing Committee of the VI International Olympiad of Metropolises: tel. +7 (995) 114-46-18; e-mail: [megapolis@edu.mos.ru](mailto:megapolis@edu.mos.ru).

I am hereby expressing the assurances of my profound reverence to you and wishes to the people of Delhi of peace, well-being and prosperity!
