ADVISORY

Subject : Procurement of Books under the Head " Improvement of School Libraries—S&M
220202106880021" by all Govt. Schools of DoE

Mega Book Fair V(2021-22) is going to be held through Virtual Mode. The books of 226 Publishers will be previewed virtually by all the Govt. schools of DOE to procure books for improvement of their Libraries.

The process of Mega Book Fair is nearly complete along with the online modules through which all schools will be placing their demand for Books to respective Publishers.

In the meantime, it has come to the notice of the Library Branch that some unscrupulous publishers are contacting schools through mails to exert undue influence on the Head of schools/Librarians/Teachers for biased selection of books in their favour.

Considering the enormous effort that has been put in to streamline the procurement of books in a free and fair manner, such an unprincipled infiltration could derail all our efforts to make the procurement of books a complete transparent and efficacious effort.

All the Heads of schools should maintain a strong moral compass and should refrain from encouraging anyone from trying to indulge in any unprincipled activity.

All the Head of Schools are hereby strongly advised to strictly adhere to the guidelines and norms of procurement as indicated in the circulars issued in this regard by the Directorate of Education. Any lapse in compliance shall be viewed seriously and strict action shall be initiated against the Head of the school.

This issues with the prior approval of the Director of Education
