### CIRCULAR

To

The Principal  
Schools Affiliated to CBSE

**Sub:- Permission to offer Mathematics (041) in Class-XI to the students who offered Mathematics Basic (241) in Class-X**

Madam/Sir,

You are aware that session 2022 has also been affected severely by Covid and the session has already been delayed, now there is a need for the remaining activities of this session to be completed on time.

As per the earlier circular, students of Class-X who have studied Mathematics Standard (041) can offer Mathematics (041) in Class-XI. In case, the students who offered Mathematics Basic (241) in Class-X are allowed to offer only Applied Mathematics in Class-XI. This rule was relaxed by the CBSE in the past 2 years because of the circumstances developed due to the pandemic and thus, students who offered Mathematics Basic(241) were also allowed to offer Mathematics (041) in class XI.

As the current session has also been adversely affected by Covid, hence, it has been decided to further extend this relaxation for one year i.e. 2022-23.

Before permitting Mathematics (041) in Class-XI to such students, the Head of the Institution should satisfy that the students are having the aptitude and ability to pursue Mathematics (041) in Class-XI.

This exemption is being given as a special measure to facilitate the present batch i.e., 2022-2023 of students of Class-XI.

(Dr. Sanyam Bhardwaj)
