Circular

Subject- Details about Material Developed under FLN for Mandatory Distribution in the New Academic Session 2023-24.

National Education Policy 2020 is based on the principle that education must develop not only cognitive capacities - both the 'foundational capacities' of literacy and numeracy and 'higher-order' cognitive capacities, such as critical thinking and problem solving - but also social, ethical, and emotional capacities and dispositions.

Recognizing the urgency of catering to the development of the foundational capacities of literacy and numeracy, the Ministry of Education (MOE) has set up National Initiative for Proficiency in Reading with Understanding and Numeracy (NIPUN Bharat) mission on priority.

In this context SCERT under the aegis of Samagra Shiksha, Delhi has taken the initiative to develop the content including Books, Teacher's Manuals, Kits as per the details given below.

It is pertinent to mention here that this material is to be distributed in the schools for the upcoming new session 2023-24.

1. Khel Khel Mein

The activity books will give children the opportunity for hands on experiences and they will learn with fun and joy. All the activities are aligned with developmental goals and learning outcomes in an integrated and synergized manner for promoting active learning in alignment with NEP 2020 and NCF 2022.

The activity books are developed grade wise.

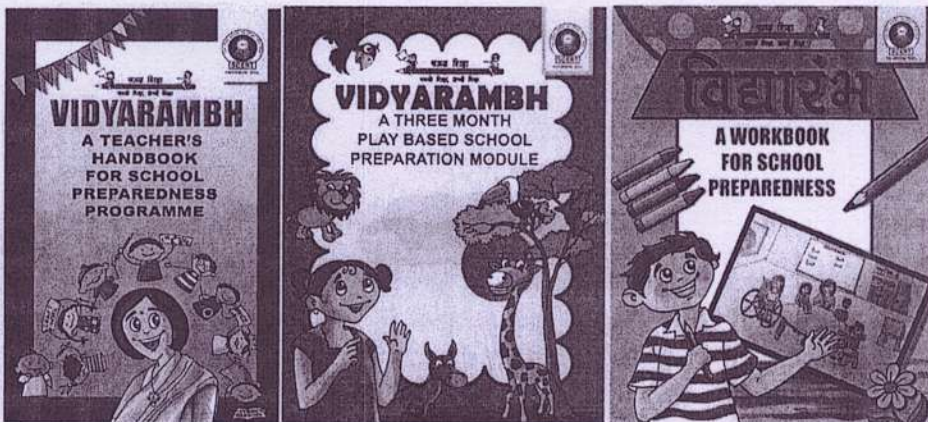

1. Activity book for 4+
2. Activity book for 5+

2. NIPUN Shikshak-Teachers Manual for FLN

The Manual aims to promote understanding on foundational learning, its need, role of various stakeholders, academic approaches, assessment by making efficient use of infographics.

Important link and QR codes are inserted to help teachers trace and utilise available digital material. Understanding, exploring and practising will enable teachers to bring pedagogical transformation in the teaching learning process.

3. VIDYARAMBH –A play based School Preparation Module for Students

School Preparedness package encompasses appropriate interventions and age relevant activities that would extend children's scope and freedom to acquire the requisite skills in conformity with NEP 2020. It is 12 weeks programme with developmentally appropriate teaching learning strategies at the beginning of Class I designed to bolster a child's pre-literacy, pre-numeracy, cognitive and social skills.

The package comes with week wise plan, the first month has a detailed flow of daily routine activities that is to be conducted for four hours in a day, aligned with activities and worksheets. The second month's week-wise plan is semi-structured. We have given the themes and some activities and worksheets around those themes. Rest of the

activities and worksheets of the daily routine are expected to be filled by the teachers either from the resource pool given in book-II or by developing them on their own.

School Preparedness Package- VIDYARAMBH includes:

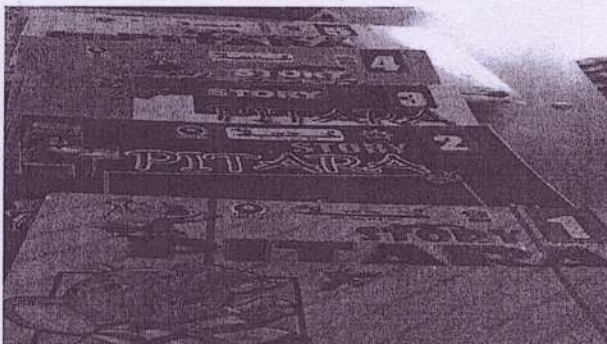

1. Book I- Handbook for teachers to give them conceptual understanding on school readiness
2. Book II- Three Month Play Based Preparation Module with Week wise plan and activities to engage students
3. Book III- Workbook for students for hands on practice during the three months of School Preparedness.

4. Integrated Foundational Literacy & Numeracy Workbooks

These workbooks for the students of Grades 1 to 5 are collaborative, flexible and follow an integrated approach. It's a holistic package, evolutionary in nature that will let learners learn from their immediate environment, peers, nature, etc. These workbooks would give them forums of discussions thereby leading to collaborative approach. It covers all the grade specific learning outcomes, which will give children space to discover, experiment and evolve at their own pace. The workbook also contains a variety of stories, poems, riddles, picture reading, posters, open-ended and situation-based questions that will boost up creativity, problem- solving, and critical thinking.

5. Story Pitara Books (Rang Birangi Kahaniyan)

रंग बिरंगी कहानियाँ— A set of 16 bilingual story books with a teachers handbook has been developed by SCERT for grades from nursery to grade 5. The kit comprises of 16 bilingual story books which are printed in

- English and Hindi
- English and Urdu
- English and Punjabi

These books comprises of 41 stories in altogether based on various themes built to develop a sense of creativity, imagination and emotional regulation in young readers. The illustrative story books are developed to cater the readers of diverse age groups are graded according to their emerging reading levels. These books are to be given to each section of each grade from nursery to grade 5 and are to be displayed in classrooms as classroom library for easy access for all children. The books are meant to be implemented from April 2023.

6. Comic Books

The comic series

“Humaari Suraksha HumareyHaath” deals with issues related to safety and security of children. The various issues related to safety of children are narrated in a simple story form. The basic objective of the comic books is to create awareness amongst children related to issues like Child Trafficking, Natural Disasters, Terrorism Stranger Danger ,

Cyber Security etc. The language used is age appropriate and contextual.

7. Indigenous Toys and kits

The Kit would consist of the following items and is meant one kit each school at the following level

Pre-Primary-1 Kit per School

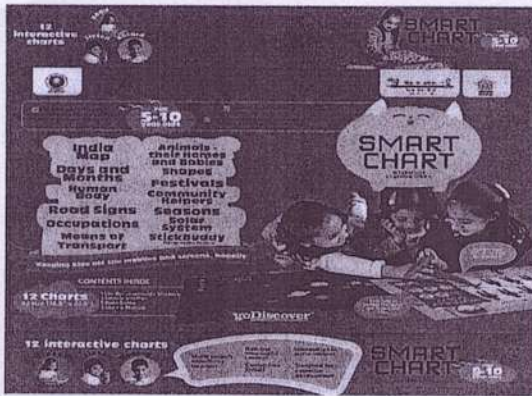

Grade 1, 2-I kit per School

3,4,5 -1 Kit per School

1. Jenga Game Wooden Block
2. Block Horse
3. Wooden Utensils

6. Katputtli Set of 2 pcs
7. Hand Puppet (Lion, parrot & frog) set of 3 pcs
8. Small Damru
9. Bansuri
10. Big Damru
11. Dancing Doll
12. Wooden Doll

13. Wooden Puzzle

8. Smart Charts with Interactive Devices

Smart Charts are an innovative learning kit consisting of a set of 12 illustrated interactive charts. These charts include topics that cover school curriculum as well as provide scope of learning higher level concepts as well. These charts also have inbuilt audio content that helps child to read large pieces of information with ease.

The charts also give the students the facility to touch the device, listen and learn from it.

The 12 topics covered in the Smart Chart Kit are:

1. Days and Months
2. Shapes
3. India Map
4. Human Body
5. Road Signs
6. Occupations
7. Means of Transport
8. Animals and their Homes
9. Festivals
10. Community Helpers
11. Solar System
12. Seasons
13. And One Audio Device

9. Math Play Corners

National Education Policy-2020 recognizes the severe learning crisis with respect to mathematics and accords it the highest priority. As per **National Focus Group on Teaching of Mathematics (2005)**, NCERT, we envision a joyful classroom engaging learners actively and infuses enthusiasm and joy through activities in the form of games, stories, role plays, puzzles, hands-on activities, consoles, posters, wall mounts, posters, game library etc. .

Maths Play Corner is one such initiative that breathes in and vibes with Mathematics through the myriad of games, activities, consoles, posters, wall mounts, posters, game library etc. . and most importantly, experiences that it offers. The idea of the Maths Play Corners exhibits a holistic approach towards 'Mathematisation', rather than Mathematics.

This program will give teachers an edge for Math teaching, that is how innovatively they can teach math with a game-based approach. With the help of these games the teacher can address the issues of different learning objectives (LO) of a class' Students.

The proposed Maths Play Corners aim to improve mathematics learning environments in schools while enriching the students and teachers with a variety of mathematical resources, transforming the classroom transactions into joyful learning.
