P R E F A C E

It gives me immense pleasure in presenting this Question Bank to the students and teachers of Government schools of Delhi. This handy tool is a part of our endeavour to improve the quality of education in Delhi. The purpose is to improve the performance of our students in the Board examinations significantly by giving them practice material for applying the concepts learned during classroom teaching.

The material is directly relevant as it is based on the latest syllabus prepared by the NCERT and adopted by the CBSE for the academic year 2009-10. We hope that the students and the teachers will use this book to sharpen their skills in handling the Board Examination. It is for the HOSs also to motivate teachers to use this valuable material during extra classes, regular classes and even as class/home assignments.

I take this opportunity to commend the efforts made by Dr. (Smt.) Sunita S. Kaushik, Addl.D.E.(School/Exam), who headed the mission and her team members Dr. (Mrs.) Suman Rekha, ADE (School), Sh. Marcel Ekka, ADE (Exam) and Dr. Rakesh Chandra Tiwari, OSD (Exam). At the same time, we must be thankful to all those teachers and other experts whose sincere hard work made it possible for us to accomplish the task in time.

FOREWORD

I feel honoured in writing the foreword to this question bank. I sincerely hope this question bank achieves its objective of helping the students to get a flavour of the board examination and enhance their performance. Our teams tried to visualize how it would be beneficial for the students facing the board examinations and guide to achieve this objective from a student's perspective.

These Question Banks adhere to the latest syllabus prescribed by NCERT and adopted by the CBSE. The questions reflect the deep expertise of subject teachers who have a long experience in helping students perform well in their respective fields. Its various salient features such as valuable key points, questions, key to short answer and hint to difficult questions on each chapter try to inculcate an effective and comprehensible approach for taking the questions in the board examinations. For real time practice solved model paper and unsolved model paper have also been incorporated which are based on sample papers issued by CBSE for the 2010 examinations.

I also extend my thanks to Dr. (Mrs.) Suman Rekha, ADE (School), Sh. Marcel Ekka, ADE (Exam) who coordinated the mission, Dr. Rakesh Chandra Tiwari, OSD (Exam) and the staff of the Examination Cell for their continuous devotion to this project.
