Census Circular No. 30

A substantial amount of work towards HL & NPR Operations has already been done by the enumerators. It is, nevertheless, necessary to cover each and every resident of Delhi. For this purpose, an advertisement has been published in leading newspapers on 06.06.2010 (Sunday), detailing the names and number of the Charge Officers of all the MCD and Delhi Cantonment Wards. This is to facilitate our aim of complete coverage by obtaining direct feedback from residents who have not been covered either because the enumerator has not yet visited or because they were themselves not available at home earlier.

Charge Officers are requested to respond appropriately to the calls they receive after this advertisement, and ensure that the enumerators/supervisors cover the callers promptly.

Further, Charge Officers must hold a meeting at this stage with all supervisors, directing them to cross-check once again that there is no omission or duplication of Households either among their own enumerators, or with the neighboring Supervisory Circles. Enumerators should be advised to once again visit houses earlier found locked and cover them so that none are left out.

It is reiterated that Charge Officers must themselves visit their areas to personally assure themselves that no area is left out.

Kindly acknowledge the receipt of the circular.

Yours sincerely,

(VARSHA JOSHI, IAS)
