To

The Deputy Commissioner (Revenue)
North West District, Kanjhawala
New Delhi

Subject: Intimation regarding likely presence of leopard.

Sir,

This office has received information which indicates likelihood of the presence of a grown up leopard in the agricultural fields and forested areas around village Jindpur in North-West District. However, leopard is a wide ranging animal and may go to other villages in the vicinity of Jindpur as well. It is, therefore, requested that citizens in the area may be cautioned to be watchful and take adequate care while venturing into secluded areas/agricultural fields. Special care is required to be taken in respect of children, who should not be allowed to go out alone. As there is no instance of the leopard attacking humans in the area, instructions may please be issued that people should not unnecessarily pursue the animal. Pursuit by people may alarm the animal and cause it to attack the humans, which needs to be avoided. In case presence of the leopard is noticed by anyone, it should be informed to the local police or the Wildlife Department (Ph.Nos. 23378600, 23378514, 9868948319).

Yours faithfully,

(Prabhat Tyagi)
Deputy Conservator of Forests and Wildlife Officer

Copy to:

1. Commissioner Municipal Corporation of Delhi, Town Hall, Delhi with the request to kindly have an appropriate advisory issued to the Principals of all the MCD Schools running in the district so that the school children may be suitably guided to be careful.

Dorator (Education), Govt. of NCT of Delhi with the request to kindly have an appropriate advisory issued to the Principals of all the schools running in the district so that the school children may be suitably guided to be careful.
3. DCP (North-West District) for information with the request to issue instructions
to local police staff to maintain vigil and increase patrolling in the area and inform
this Department about any instance of the animal being sighted.
4. DCF(North/West) with the request to instruct the concerned field staff to
undertake extensive patrolling of the forest areas, report any evidence about the
presence of the animal to this office and take appropriate management action to
avert any possibility of man-animal conflict.
