Dear Sir,

On the occasion of coming Holi festival, Department of Environment, Govt. of NCT of Delhi has been undertaking a “Khelo Holi Naturally” campaign for motivating the citizens of Delhi to play Holi with natural colors so as to prevent harmful effects of toxic colors made from chemicals that are harmful to the human skin/tissue.

As Holi is a festival of colors and actively played by children with colors that could be harmful to them. Therefore, may I request you to kindly issue directions to the schools for motivating the students to use only natural and eco-friendly colors to play Holi this year.

I wish you a very happy, safe and colorful Holi this year.

Yours Sincerely,

(Dharmendra)
