Census Circular No. 40

At the time of first Phase of Census 2011, GIS Ward maps were provided to all the Charge Officers. Besides, in some of the Charges, GIS maps for Supervisory Circle and Houselisting Blocks were also provided. As per instructions these maps were required to be deposited in this office after completion of field work. From Security point of view these GIS maps should not be remained in the field. While depositing the filled in schedules in this Directorate a very few Charge Officers have deposited these GIS maps in this Office. It is hoped that the Charge Officers must have received back these GIS maps from field functionaries. As such all the Charge Officers, who have not deposited the Ward/Supervisory Circle/Houselisting Blocks GIS Maps to this Directorate must submit the same to this Directorate immediately. This may be treated as most urgent.

Yours sincerely,
