To The Chief Secretaries / Administrators of all State Governments / UT Administrations.

Subject: Display of complete State Emblem of India with the motto “Satyameva Jayate” - Truth alone triumphs - written in Devanagari script below the profile of the Lion Capital.

Sir/Madam,

The State Emblem of India is the official seal of the Government of India. The State Emblem is an adaptation from the Sarnath Lion Capital of Asoka. The Emblem consists of the profile of the Lion Capital showing three Lions mounted on the abacus, with a Dharma Chakra in the centre, a bull on the right, a galloping horse on the left and outlines of Dharma Chakras on the extreme right and left with the motto “Satyameva Jayate” - written in Devanagari script below the profile of the Lion Capital. A copy of the design of the State Emblem of India is enclosed.

2. Inspite of this Ministry’s advisory dated 15th November 2007, it has been brought to the notice of this Ministry that various Government agencies who are using the State Emblem of India on their stationery, publications, seals, vehicles, buildings, websites etc., often omit the motto “Satyameva Jayate” and are only depicting the profile of the Lion Capital. It may be noted that the State Emblem of India is **incomplete** without the motto “Satyameva Jayate” inscribed (in Devanagari script) below the profile of the Lion Capital.

3. Incomplete display of the State Emblem of India is a violation of the State Emblem of India (Prohibition of Improper Use) Act, 2005 and the State Emblem of India (Regulation of Use) Rules, 2007.

4. It is reiterated that the Government agencies who are authorised to use the State Emblem of India for various official purposes should depict the complete picture of the ‘State Emblem together with the motto “Satyameva Jayate” - in Devanagari script - inscribed below the profile of Lion Capital, as per the enclosed format. Suitable instructions in this regard may please be issued to all concerned.
Note.—This design is in simplified form and meant for reproduction in small sizes, such as for use in stationery, seals, and die-printing.
Note.— This design is more detailed and meant for reproduction in bigger sizes.

T.K. VISWANATHAN,
Secy., to the Govt. of India.
