DELHI – 110032.

No.F.74/PH/DHS/2012/58127

Dated: 09.10.2012

The Director,
Dte. of Education,
Govt. of NCT of Delhi,
Old Secretariat, DELHI – 110054

Sir,

As you are aware, during the rainy season and after the rainy season, there is high prevalence of Dengue. The prevention is the best method to control the Dengue disease. The Dengue Vector (mosquito) bites in day time and at open body parts (like arms and legs). School children who are wearing half sleeves shirts and shorts are more prone to mosquito bite and subsequently, get infected with Dengue.

Therefore, you are requested to kindly take necessary steps in this regard and instruct all the students to come in full sleeves shirts and full pants uniform to minimise the risk of Dengue transmission.

During assembly, all students may please be sensitised on dengue outbreak and control measures of mosquitos’ breeding in and around their houses.

Yours faithfully,

(Dr. N.V. KAMAT)

DIRECTOR
To,
The Director
Directorate of Education
Govt. of NCT Delhi
Old Secretariat

Subject: Mandatory Measures to be followed by Delhi Govt. / Aided school children to prevent the Dengue Epidemic.

Sir,

This is to inform you about the measures to be taken to prevent Dengue Epidemic in Delhi and to contain the spread of infection as early as possible. The following Mandatory Measures are required to be announced every day in the morning assembly of schools by the deputed teachers for the compliance by the school students. These directions are issued as per the order of Hon’ble Health Minister.

✔ Personal Prophylactic Measures

Wearing of full sleeves shirts, full pants and socks pulled till knees, use of mosquito repellents creams, liquids, coils, mats etc during day time to prevent mosquito bites.

✔ Environmental Measures

Detection and elimination of mosquito breeding places like (Emptying of water coolers, covering of water over head tanks, flower pots, broken tyres) management of roof tops, porticos and sunshades, proper covering of stored water, observation of weekly dry day in and around residential areas.

Regards,

Dr. J.P. Kapoor
(Addl. Director) (SHS)
