Out of the above 14 swimming pools, the swimming pools in the schools of RSBV, Jheel Khurejna and Babu Ram Govt. Senior Secondary School, Shahdara are operated and maintained by DSIIDC whereas the other 12 swimming pools are operated and maintained by PWD.
Every year, the swimming pools are put in operation from 1st April and continue upto 31st October. The necessary repair and maintenance, their operation, filtration plant and other necessary works are undertaken by the concerned maintenance division of that particular school. Until now, these swimming pools were being operated without license as all of them were exempted from obtaining license. But this year it has been made compulsory by Delhi Police to obtain license in respect of these swimming pools also. The concerned head of school will apply for obtaining license for the swimming pool but before applying for the license, the concerned maintenance agency (i.e PWD or DSIIDC as the case may be) has to provide a couple of certificates with regard to water testing report, electrical installations report for ensuring safety concerns of the students.

Hence, it is requested that the concerned maintenance divisions of the above schools (Civil as well as Electrical) may be directed to take immediate necessary action for operationalisation and maintenance of the swimming pools within their jurisdiction and provide water testing report as well as electrical installation report to the concerned Head of Schools, so that they may apply for license for the swimming pools.

Yours faithfully,

(SATPAL)
Additional Director of Education (Sports)
