Sub: Enumeration of Houseless Population – Census – 2011

Sir,

As you are aware that the enumeration of Homeless Population is usually conducted on the night of 28th February but considering the high concentration of homeless population in some of the wards it has been decided to conduct the Enumeration of household population on the night of 27th February 2011 also. The enumerators/supervisors will have to work on the night of 27th and 28th February, 2011 in the field and as a result they will not be in a position to attend the school/office on the following days.

In view of above it is submitted that it will be appropriate if the enumerator/supervisor who will actually be deployed in the field on 27th and 28th February, 2011 may be granted leave on 28th February 2011 and 1st March, 2011 respectively.

You are kindly requested to issue necessary instructions in this regard to all concerned departments so that the enumeration of houseless population can be completed successfully.

Yours faithfully,

Varsha Joshi, I.A.S.
