CIRCULAR

Sub: Organisation of School Annual Day Function.

It has been noticed that Annual Day Functions are, at times, being organized by some schools as late as in January which is peak time for studies. As a result, some of the students do not take part in these functions. Heads of Schools are, therefore, advised to organize these functions preferably in November or latest by December-end every year.

It has been brought to the notice of the Directorate that some schools are not inviting the local MLAs to the Annual Day Functions. It is desired that the local MLAs should be extended invitation to attend the Annual Day Functions.

However, schools may continue with the practice of inviting eminent personalities in the field of education, arts, sports, public service, sciences etc. as guests so that children get an opportunity to interact with them.
