Like in previous phase the Education Deptt. has a major role to play in the programme. You are requested to ensure that schools under your administrative control participate in the forthcoming phase of the programme in the following ways:

1. Identify a nodal teacher for polio in each school.
2. Organize POLIO SENA of class 6 to 12 students under guidance of nodal teacher. Students to Visit at least 50 households near his/her residence to give the message of Polio to the children and their parents and inform them about the date.
3. Display publicity material at schools provided by our Assembly Coordinators.
4. Organize various events in the schools like Poster/Painting, Elocution, Debate, and Essay writing competition, Announcements about polio immunization may be made in the morning assembly.
5. Prabhat Pheris in the week preceding the National Immunization Day.
6. You may post 1 teacher, 1-peon and Polio Sena students at the Polio Kendras, which are set up in Govt. schools. The teacher may also give polio drops to the children coming for immunization at the Polio Kendras. In addition two health workers from our department will be posted at the booth on the Pulse Polio days.
7. Under the supervision of the Teacher the students may go to the nearby localities and bring as many children as possible to the Polio Kendra for getting Polio drops.
8. With the help of Assembly coordinator the teachers can participate in the “Search and Immunize” Activity in an area in the neighborhood of the school.
9. Your department has always contributed a lot for the Pulse Polio Programme by providing vehicles for transport of vaccine carriers and mobile teams on the National Immunization Day. We may again request you to provide the vehicles for the programme in the forthcoming phase.
10. All employees of your department may be advised to get their own children in the eligible age group of 0-5 years immunized at the nearest Polio Kendras on each Pulse Polio Day. They may also motivate their friends and relatives to bring their children for immunization.

You may kindly instruct your nodal officer to coordinate with Dr. C.M. Khanijo, OSD-IPPIP, on telephone no. 23813210.
