Yours faithfully,

(S.C. GUPTA)
ASSTT.DIR. OF EDU.(ESTATE)

Copy to:
O.S.(IT), Dte. of Education, Delhi with request to upload on the website of the Deptt.
Dear Shri Krishna Murthy,

The National Council of Educational Research and Training, New Delhi is conducting a research study entitled "Incentive Schemes and Ancillary Facilities in Schools of Slum Areas: A study of National Capital Region". The objectives of the study are to examine the implementation of incentive schemes, to explore the role of community participations in governance of incentive schemes and to study the status of ancillary facilities (drinking water and sanitation) in schools in slum areas. The findings of the study will be shared with all stakeholders and would be helpful in identifying markers for efficient planning and management of Incentive Schemes and Ancillary facilities in schools situated in the slum areas.

In this connection, Dr. Satya Bhushan, Assistant Professor and Coordinator of the Programme have to collect data from 10 schools situated in slum areas in each district of the Delhi. You are requested to kindly advice Deputy Directors of Education to issue instructions to schools to cooperate with the team in providing the required data for the study. It is also requested that a list of Incentive Schemes applicable to schools is provided.

Thanking You,

Yours Sincerely,

(D.K. Vaid)
