Dear Sir,

On the occasion of Holi Festival, Department of Environment, Govt. of NCT of Delhi has been undertaking a “Khelō Holi Naturally” campaign for motivating the citizens of Delhi to play Holi with environment & human friendly natural colors so as to prevent harmful effects of toxic colors made from chemicals.

As Holi is a festival of colors and actively played by children, the chemical based colors could be harmful to them. Therefore, may I request you to kindly instruct the schools for motivating the students to use only natural and eco-friendly colors to play Holi this year.

I wish you a very happy, safe and colorful Holi this year.

Yours Sincerely,

(Dharmendra)
