CIRCULAR

Subject:- Introduction of additional subject in the school.

In continuation of circular no. DE.23(28)/Sch.Br/08/606 dated 28-5-12 in the revised admission criteria for class XI in Govt./Govt. Aided schools, for giving Economics as a subject a student must have at 6.00 CGPA. It has come to the notice of the Department that due to the revised admission criteria for class XI, some schools are facing difficulty in allotment of 5th subject to class XI student.

As far as possible the alternative subject may be given out of the subjects already available in the school. In case the school does not have any other subject, the HOS may introduce a new subject in class XI out of the following subjects:-

- Sociology
- Physical Education
- Home Science
- Fine Arts

TGT level teachers are already working in schools and they may take up teaching of these subjects for e.g. Sociology can be taught by TGT Soc. Science.

The proposal for starting an additional subject should be forwarded to Addl. DE (Schools) through the concerned Deputy Director of Education for necessary action. All DDE's are requested to forward a consolidated proposal for their District giving justifications for starting the subject.
