GOVT. OF N.C.T. OF DELHI
1, CANNING LANE: K.G. MARG: NEW DELHI-110001

NO.F.PA/DWCD/2011/1806

Dated: 12.09.11

To,

The Director,
Department of Education,
Govt. of NCT of Delhi,
Old Secretariat,
Delhi.

Subject: Renewal of registration of school going girls under LADLI SCHEME.

Sir,

As you are aware the 'LADLI SCHEME' is a flagship scheme of the Government of Delhi managed by the Department of Women & Child Development. The 'LADLI SCHEME' is a conditional cash transfer scheme. The essential conditions are registration of the birth of the girl child and education to at least the secondary stage. There are six milestones at which a girl eligible under the scheme can be registered. These are at birth, admission under Class I, VIth, IXth, XIIth and on passing Class Xth. The registration is renewed at every subsequent milestone so as to ensure that the essential conditionality is met.

The 'LADLI SCHEME' was introduced in the year 2008 with registration into the scheme at all the six stages. During the current financial year 2011-12 the girls studying in Class IXth, Xth and XIIth have to renew their registration in the scheme. All these girls are studying in the schools run by the Govt. of Delhi.

Contd.......... 2
The success of the LADLI SCHEME can be seen from the fact that during the few years of its operation more than four lac girls have registered themselves into the scheme. Most of these registrations have been of new entrants into the scheme. The matrix of the scheme is such that from the current financial year onward, the new registrations would decrease substantially and most of the cases would be renewal cases. There are more than 80000 girls studying in the schools run by Delhi Government whose registration is to be renewed during this financial year. Non renewal of the registration would mean that the girl child would miss the milestone and the aim of the Govt. to ensure a final payment of Rs. One lac after atleast passing Class Xth and turning 18 years of age would not be met. The Hon'ble Chief Minister in the Review Meeting held on §.7.11 had desired the Women & Child Development Department and Education Department have to make a coordinated effort to ensure that all girls whose renewal is due are enabled to renew the same.

In view of the above, I request you to direct all your concerned staff in the districts and the Principals in the schools to take up this work on priority. In case any assistance or inputs are required from the Department of Women & Child Development then we may please be informed of the same.

Yours Sincerely,

(RAJÍV KALE)
DIRECTOR.
