Sub: **Students who have passed Class XI on the basis of the additional subject.**

CBSE introduced registration for students of Class XI from the academic session 2010-11. In this process of registration students have declared their main subjects and any additional subject, if opted for.

Head of Schools may note, that as per CBSE norms, some students have passed Class XI, on the basis of their performance in the additional subject, which has replaced a main failed subject. However, if such a student wants to continue to study the failed subject in Class XII, the Head of School may give the student an opportunity to appear in that subject along with the Compartment Students of Class XI CCSE-2011. **This opportunity is only for students who have passed Class XI on the basis of the additional subject.**

The Head of Schools may include the enrolment of such students in the Proforma ‘B’ of CCSE-2011.
