CIRCULAR

It has been observed that as per the Vacancy Statement of Vice Principals, in some of the schools posting of 02 Vice Principals is reflecting against sanctioned post of 01 Vice Principal and in some of the schools post of Vice Principal is shown filled whereas no Vice Principal is working in the school. This is because of non generation of orders regarding Voluntary Retirement/Vigilance Clearance on Promotion/Lapse of Contract Period of Contractual Employees etc. through MIS by the concerned District Offices. This is creating problem in transfer/posting of the official.

Therefore, all the DDEs are hereby requested to generate all the pending orders regarding Voluntary Retirement/Vigilance Clearance on Promotion/Lapse of Contract Period of Contractual Employees etc. through MIS so that MIS record is updated. This work may be completed on urgent basis positively within one week under intimation to this office.

This may be given TOP PRIORITY.
