CIRCULAR

It has come to the notice that some HOS/DDOs under this Directorate are not adhering to the instructions issued by DHS vide O.M. dated 27.04.2012 and uploaded vide dated 13.06.2012 on the website of this Directorate regarding settlement of medical reimbursement claims of Pensioners/Family Pensioners. Their medical claims are not being accepted by them and as such they are facing a lot of humiliation and financial hardship for no fault of their own. The Higher Authorities have viewed it seriously and desired the prompt compliance of the O.M. dated 27.04.2012 referred to above.

It is further clarified that the Pensioners/Family Pensioners shall submit their individual Medical Claims to the HOS/DDOs from where they have retired and the concerned HOS/DDO shall examine and settle their claims.
