Census Circular No. 78

The main objective of census is to ensure complete coverage without omission and duplication, and to achieve this objective all enumerators/supervisors must have identify boundaries of his/her enumeration block in all respect. The charge officer should also identify the boundaries of ward maps on the basis of GIS maps, which have already been provided to them.

It may be possible that in certain areas where large scale constructions is going on, particularly near Air Ports, Railway Stations, Bus Stands, Metro Stations, Industrial areas, Labourers may be residing in temporary huts and these temporary huts might have not been included in the charge extent due to their non existence in that area during Houseising operations.

It is therefore once again directed, with a view to ensure complete coverage, if in any ward major construction work in going on and the labourers are residing in temporary huts their coverage must be ensured by that charge officer under whose jurisdiction these temporary huts falls. Non compliance of this instruction will be viewed seriously.

Yours Sincerely,

VARSHA JOSHI, I.A.S
DIRECTOR, CENSUS OPERATIONS, DELHI
