Sir,

Reference to the proposal of the organization 'Avanti Fellows' (copy enclosed), you are requested to make necessary arrangements for conducting 3 hours aptitude test preferably on 9th May 2011 (Monday) from 9.30 a.m. to 12.30 p.m. in all RPVV in coordination with the above organization. The aptitude test is for those students who have completed class X in session 2010-11, interested in pursuing engineering as a career after class-XII and whose parental annual income is less than Rs. 2.50 lacs.

Heads of these schools are requested to inform eligible students of class X well in advance and keep a list of these students ready by 4th May 2011. The representatives of the organization will contact each RPVV individually to collect the lists. Further details are mentioned in the enclosed letter.

This issues with the approval of competent authority.

10 March 2011

Dear Sir,

Subject: Proposal for partnership between Avanti Fellows and Directorate of Education

This letter is in reference to the communication received from the office of Dr. A.K Saxena, OSD (School). Please find below the detailed proposal as requested by you.

1. Background
Avanti Fellows is a non-profit organization started by IIT Bombay alumni aimed at providing mentorship, training and financial aid to meritorious students from economically underprivileged backgrounds. Avanti was registered as a Charitable Trust under the Societies Registration Act in March 2010. It has chapters in IIT Delhi, IIT Bombay and IIT Chennai which are run by (current) student volunteers.

2. What Avanti Fellows will provide to RPVV students

1) Avanti Fellows will conduct a 2 hour sensitization session in each of the 19 RPVV’s on any day of convenience between 11th to 20th April 2011 about relevant career options after school and the various options available after class 10th for students in their class 10 who are moving to class 11. These sessions will be taken by current IIT Delhi students. This will be free of cost.

2) Avanti will conduct a 3 hour aptitude test in all the 19 RPVV’s on any day of convenience between 11th to 20th April 2011 for all class 10 students who are interested in pursuing engineering as a career post class 12 and have annual parental income less than 2.5 Lakhs rupees. No registration fees will be charged for the test.

3) The top 30 students on the basis of the test result will be short listed for an interview process post which 20 students will be selected based on aptitude and motivation.

4) These 20 students will be paired up with 20 current 2nd year students from IIT Delhi who will mentor them through their preparation for IIT JEE and other entrance exams.
5) Additionally, the 20 students will get free classroom coaching for 2 years in Brilliant Tutorials at centers close to their homes.

4. What we need from you
   - A communication to be sent to the Principals and management of all the 19 RPVV's regarding this tie-up.
   - Give permission to conduct sensitization sessions in the 19 RPVV’s among the class 10 students from the specified income group about the Avanti Fellows program and general career advice as mentioned above in the period of 11th to 20th April 2011.
   - Give permission to conduct 1 aptitude test on the same time in all the 19 RPVV's for the students from the specified income group to select the fellows on any day of convenience between 11th to 20th April 2011. The test will be administered and invigilated by IIT Delhi students in the 19 RPVV's simultaneously.

Thanking you.

Yours sincerely,

Aritra Gupta  
4th year student, Integrated M.Tech in Maths and Computing, IIT Delhi
