CIRCULAR

Sub:- Requirement of Original Boarding Passes for LTC Claims.

In the recent past, certain complaints regarding production of fake air tickets for LTC claims have come to notice alleging that the air journeys are actually undertaken against cheaper tickets while tickets of higher amounts are produced for making LTC claims.

In order to curb this alleged mal-practice, it has now been decided by the Competent Authority that all LTC Claims for air journeys should invariably be accompanied by Original Boarding Passes along with air tickets.

Henceforth, no claims for LTC (by air) shall be entertained without original boarding passes.
