Every year, the swimming pools are put in operation from 1st April and continuing upto 31st October. The operation of the swimming pool and filtration plant etc. is undertaken by the Electrical division of their area whereas the normal repair and maintenance of deck area, maintenance of bath rooms & change rooms is undertaken by the civil division of that area.
The concerned heads of schools have to apply for obtaining license for the swimming pool from Delhi Police but before applying for the license, PWD has to provide a couple of certificates with regard to water testing report, electrical installation report etc. for ensuring safety concerns of the students.

Hence, it is requested that the civil & electrical divisions of the concerned swimming pools in the Govt. schools of your zone may be requested to undertake necessary works and prepare the swimming pools by 15th March 2013 positively so that the concerned heads of the schools may collect the necessary documents e.g. water testing report, electrical installation report etc. so that the heads of the schools may apply for license to Delhi Police for starting the swimming pools w.e.f. 01.04.2013 for the summer season.

This may be treated as "MOST URGENT"

Yours faithfully,

(SATPAL)
