Sub: Organization of 16th Hepatitis Day Function on December 6, 2013 (Friday).

Respected Sir,

This is with reference to the Annual Hepatitis Day being celebrated by the Govt. of National Capital Territory of Delhi for the past 15 years on 4th December, every year. Sir, you might recall that this is the official function of Delhi Govt. wherein, every year, we at this Institute since inception in the year 2010, along with the Department of Health and Family Welfare/ Directorate of Family Welfare, under Delhi Govt. and other Key Social Partners have been organizing the Hepatitis Day Program aiming to spread mass awareness about hepatitis in the local community.

In the last few years, nearly 50 schools in Delhi have actively participated in these functions.

The main activities related to the Hepatitis Day Function inter-alia, include:
1. Preparation of banners and posters for display throughout Delhi at prominent public places and Hospitals/Institutes.
2. Distribution of pamphlets and reading materials to the general public.
3. Putting stamps in the OPD/IPD cards in various hospitals.
4. Organization of public lectures by the Directorate of Family Welfare in different hospitals.

We do hope that active participation by the Delhi Govt. this year would make the 16th Hepatitis Day a more visible and useful event. However, since voting for general assembly elections in Delhi is scheduled on 4th December, 2013, the Institute proposes to celebrate annual hepatitis day function this year on 6th December, 2013.

It is thus requested, that necessary instructions for observation of Hepatitis Day as above may kindly be issued to all the hospitals/medical institutions under your able jurisdiction, being the Patron of this event.

Further, you are requested to kindly take up this important social issue with Dr. (Smt.) Kiran Walia, Hon'ble Minister for Education, GNCTD for seeking the active participation of various Govt. Schools in Delhi for spread of awareness against this preventable disease.

With warm regards,

Yours sincerely,

(Dr. S.K. Sarin)
Director
