Circular

From the academic session 2014-15 Block Teaching will also start for class XI students along with class XII. All HOSs of Govt. Schools under DOE are directed to plan and develop Time Table in the beginning of the academic session keeping in mind that the block teaching for XI and XII classes must start immediately after the First Term Examination gets over i.e. from 1st October of the academic year.

They are to ensure that the teaching periods of these classes are not wasted for non availability of systematic planning of the Time Table of the school.
