Sub: Admissibility of relief on pension in respect of re-employed pensioners.

Sir,

I would like to inform you that the pay fixation of retired teachers on their re-employment is fixed on last pay drawn minus pension and the pay so fixed is allowed with dearness allowance on gross pay. In such cases till date of re-employment, the retiree is not eligible to the dearness relief on pension drawn through the bank.

It was the apprehension that the Head of Offices/DDOs of the schools are insisting upon the submission of periodical certificate from the bank regarding the non-drawal of dearness relief on pension before processing and submitting the pay bills to the Pay & Accounts Offices. But, it is brought to the notice of this office by a Pay & Accounts Officer that the bills of such re-employed pensioners are processed at the level of schools without insisted upon the request or such certificate.

It is therefore requested to issue suitable instructions to all schools under your control to obtain periodical certificates from the bank regarding the non-drawal of dearness relief on pension before processing/submitting the salary bills of re-employed pensioners to the Pay & Accounts Offices.

Yours faithfully,

(PARKASH CHAND)
