ORDER

A decision was taken in the meeting held in the chamber of Director (Education) on 07.05.2014 to conduct inspection of the condition of toilets in the schools of Directorate of Education. The inspections would be conducted by a team comprising of the EO of the zone, Principal/HOS of the concerned school, an independent Principal/HOS and the Junior Engineers (Civil & Electrical) of PWD of the concerned zone. The inspecting teams will conduct the inspections between 02.06.2014 to 13.06.2014 and the report will be submitted latest by 17.06.2014.

While conducting the inspection, the status of EORs sanctioned by the concerned school shall also be reviewed and the report shall contain the updated status of the EORs.

Non compliance will be viewed seriously.

This issues with the prior approval of the Competent Authority.
