Dear Secretary,

Please recall the discussions during interaction with Hon'ble Prime Minister on 4th June, 2014 wherein repealing of obsolete laws has been emphasised in order to clean the Statute Book. In pursuance of this, Cabinet Secretary vide D.O. letter dated 5th June, 2014 has, inter-alia, asked every Department to identify and repeal at least 10 rules or processes, and even archaic Acts, that are redundant.

2. The Repeal of Amending Acts is one of those periodical measures by which enactments which have ceased to be in force or have become obsolete or the retention whereof on the Statute Book has become unnecessary are repealed and removed from the Statute Book.

3. You are aware that the Repeal of Amending Acts is a regular exercise undertaken by Legislative Department. Last such exercise was undertaken in 2001 by way of "The Repealing and Amending Act, 2001" covering the amending Acts from 1985 to 1998. This Department proposes to undertake similar exercise this year. Emphasis of this exercise is to examine the Amending Acts and to take steps to unburden the Statue Book.

4. I would, therefore, request you to provide a list of amending Acts after 1998, retention whereof on the Statute Book has become unnecessary. I shall be grateful, if the relevant information is provided by 15th July, 2014 to enable us to proceed further in the matter.

With regards,

Yours sincerely,

(P. K. Malhotra)
