CIRCULAR

Sub: Direction of the Juvenile Justice Committee of the Hon'ble High Court regarding children suffering from problem of substance abuse/children in conflict with law.

It has been reported by the Juvenile Justice Committee of the Hon'ble High Court that when the cases of children suffering from problem of substance abuse or children/students in conflict with law come to the notice of the school authorities, the Heads of Schools encourage such children to seek school leaving certificate from their school.

In this context it is directed that wherever cases of such children come up, efforts should be made for counseling of such children through the EVGCs. Further the parents of such children should also be made aware of the behavioral issues of their wards so that awareness can be created amongst the parents also. It is also directed that in no such case the children be impeded from attending the school and their name should not be struck off.

This issues with the approval of the Competent Authority.
