1. Dr. J.P. Kapoor, Addl. Director Health Services, Head School Health Scheme, Directorate of Health Services, Govt. of NCT of Delhi, Delhi.

2. O.S. (IT) with the request to upload on the Directorate of Education Website.

(SUNIL GARG)
Office Superintendent (HQ)
Dear Madam/Sir,

Greetings from Chacha Nehru Sehat Yojana.

School health scheme, DHS and DOE are committed to provide comprehensive health services to the school students of Delhi.

As per the recommendations of DCPCR, a cascade of training on first aid is being rolled out under the aegis of CNSY. A committed force of teachers has been identified by the Directorate of education, Delhi Govt. to be trained as master trainers for providing first aid services in Delhi Govt schools.

Two nodal teachers from each Zone have been identified to be master trainers for the first aid training, who in turn will train two teachers from each school to provide first aid services to the school students.

A first aid manual for the teachers have been developed with the help of experts in the field (enclosed) you are requested to give a feedback on the contents of the First aid manual at the earliest, preferably within seven days, to facilitate its printing and distribution during the master training programme, tentatively scheduled to be held in third week of April.

This is as per the directions of the Secretary (Health and Family welfare), Govt. of Delhi.

Warm regards,

Dr. J.P. Kapoor
Addl Director Health Services
Head School Health Scheme
Directorate of Health services
Delhi Govt.
