No. 1/43/2010-DCO(NPR)       Dated: 07.05.2013

Census Circular No. 133 (NPR)

In all the wards the works of Biometric Enrolment of NPR have been completed or likely to be completed by the end of this month. Although, two rounds have been completed but still we are receiving lots of quarries by mails from the left out persons who could not get themselves enrolled due to various reasons. To facilitate them, now it is decided to run permanent centre for a period of one month w.e.f. 15.05.2013 to 14.06.2013 in all the wards at Charge Officer’s offices. The system installed will run in supervision of the Charge Officer and will remain in their custody.

The persons to whom KYR+ form have already been given are only to be enrolled in these permanent centres. It is also mention here that at this time the presence of enumerator in the centre is not necessary. Necessary instructions regarding procedures to be adopted are being issued to concerned CPSU, a copy of which will also be endorsed to you.

Yours faithfully,

(G. C. Joshi)
Deputy Director
