Ref No: Head(BO)/West Outer / 2016-17 / 04

Dated: 17.05.2016

DEO (School),
Govt. of NCT of Delhi,
Directorate of Education,
School Branch,
Old Secretariat,
Delhi – 110054.

Sir / Madam,

BSES Rajdhani Power Ltd. in association with NGO “Jan Kalyan Foundation” intends brief orientation programme of school children regarding importance of electricity in our daily life, general awareness of the public towards energy conservation, safety and effect of electricity theft on the society.

This program has been successfully conducted in 100 + schools in past with your permission and was well appreciated by schools. We have already assigned contract to NGOs for such program in 120 schools and we intend to extend it further also.

We therefore request you to allow us for the program in all schools of West Delhi under your jurisdiction which we would like to complete from July to December, 2016. The program shall be conducted only after fixing the date and time with Principal / Heads of Schools as per their convenience without disturbing the normal functioning of the schools.

The permission letter which was communicated in 2014-15 is attached for reference.

Thanking you.

Yours Sincerely,

(T R BHALIA)
Vice President
Head (BO) West Outer
