GOVERNMENT OF NATIONAL CAPITAL TERRITORY OF DELHI
DIRECTORATE OF EDUCATION
OLD SECRETARIAT, DELHI-110 054.

Subject: Result Analysis 2015-16.

Results of Secondary and Senior Secondary classes of our government schools have been declared. This is the right time to analyze our achievements and failures and map the road ahead.

I plan to sit with my team of Distt. DDEs for the next few days and see how they have evaluated their performance and what are their plans for the session 2016-17.

I expect all Distt. DDEs to prepare a 30 minute Power Point Presentation on the following parameters:

1. Length of tenure of the Deputy Director in the District.

3. Quality Index w.r.t. IX, X, XI, XII (for last three years).

5. Result Analysis (last 3 years) with special focus on
   a. Students: Teachers ratio (school-wise)
   b. Class rooms: students ratio (school-wise)

6. Total number of children failed once/twice/more in IX standard and linkage to dropout – solutions.

7. Roadmap ahead.

Power Point Presentation by Distt. DDEs shall be followed by 5-7 minutes Power Point Presentations on results analysis (as far as possible, on above lines) by Heads of three most challenging schools (with poorest results in XII) of the District.

It is clarified that in the coming academic year, the Directorate plans to implement a more stringent system of examination and evaluation so that students' learning levels can be rigorously examined.
Chhatrasal Stadium will be the venue for these Result Analysis sessions. Schedule for the Result Analysis to be conducted next week is as follows:
