SUB : Incorporation of Swachh Bharat mission activities on day to day basis in all Schools.

In the context of ongoing Swachh Bharat Mission, the role of school children as messengers and facilitators of desired behavioural change among their parents, neighbours and peers must be appreciated and properly utilized. All the Heads of Schools are, therefore, directed to incorporate following Swachh Bharat Mission activities on daily basis as part of School’s calendar.

1. Speech and talk on topics related to Swachhta during every morning assembly, by the Principal, Teachers and Students representative.
2. Take Swachhta pledge during every morning assembly by each & every student, teachers, principal and other staff members.
3. Moral stories should be told in the morning assemblies.
4. At least one class-session per week should be devoted to children, teaching about the various components of cleanliness i.e. safe sanitation and solid waste management.
5. Encouraging students to take up projects related to ‘Swachchta’.
6. Marking one day per month in the school calendar as ‘Swachchta Day’ with active participation of principal, teachers, staff, and parents.

This issues with the prior approval of the Competent Authority.
