CIRCULAR

In the context of the fact that mandate of School level monitoring of RTE Act lies with School Management Committee and Local Authorities and that the support of these structures is invaluable in implementing RTE Act in its true spirit, MHRD and NCPCR have jointly framed operational guidelines to conduct social audit in school through wider community involvement.

To implement these guidelines all DPOs are required to ensure that –

- Every HoS having **elementary classes** constitutes a team for social audit comprising of
  - HOS
  - One Upper Primary Teacher
  - One Parent (Non SMC member)
  - One Parent (SMC member)
  - One SMC member from EWS/DG category
  - One member of RWA or of a prominent NGO working for the cause of education in the area.

- These teams be constituted by each school by 30th June and details be collected by BURCCs.
Details of the guidelines and time-schedule for carrying out social audit shall be circulated after imparting training to HoS and SMC members.

This issues with the prior approval of competent authority.
