ORDER

Sub: Live Telecast of Hon'ble President’s Interaction with Teachers.

In continuation of Circular No. PS/DE/2015/338 dated 01.09.2015, the Heads of the Evening Shift Schools are hereby directed to ensure implementation of the following plan so that maximum number of teachers of the second shift schools can watch the Live Telecast of Hon'ble President’s Interaction with Teachers:

On 04.09.2015, there will be no Assembly in the second shift schools. All boys will go straight to their classes. From 1.20 pm (when the school starts) till the end of the Hon'ble President’s Interaction with Teachers, Class Monitors will look after the classes. Besides, there will be one teacher on each floor/wing as Floor/Wing In-charge to monitor discipline.

Heads of Schools will ensure that all teachers (other than Floor/Wing In-charges) sit in a hall/auditorium and watch the Live Telecast of Hon'ble President’s Interaction with Teachers. HoSs should try their best to accommodate as many students as possible so that maximum number of students can also watch this Live Telecast. Students of senior classes should be prioritised for this purpose.

Wherever possible, the Heads of the second shift schools can tie up with their counterparts in the first shift and use the same technical paraphernalia (TV sets/Projector/Screen/Cable connection etc) as used by the morning shift school for the Live Telecast of Hon’ble President’s Class. The Heads of Morning shift schools must co-operate with the evening shift staff in this regard.

In case, it is not possible to have a common arrangement, the Heads of evening shift schools shall make their own arrangement to enable the teachers to watch the programme.
The teachers will move for their respective classes immediately after the President's Interaction with Teachers is over.

Throughout the duration of this programme, respective Floor/Wing Incharges shall remain vigilant and maintain discipline with the help of Class Monitors.
