CIRCULAR

Sub: Providing rooms for setting up labs of Vocational Streams in alignment with NSQF- reg.

Directorate of Education, GNCTD introduced vocational education in Class IX in 205 Delhi Govt Schools during the academic year 2015-16 on the pattern of Centrally Sponsored Scheme “Vocationalisation of Secondary and Higher Secondary Education” in alignment with National Skill Qualification Framework (NSQF). Two out of following six vocational subjects were offered to each of 205 schools:-

1. Information Technology.
2. Automobile Technology.
3. Dynamics of Retailing.
5. Introduction of Tourism.

HOS of these schools were directed to ensure the availability of two rooms for laboratory purpose vide circular dated 10.06.2015. HOS of 205 schools were also directed to send confirmation report regarding rooms identified for vocational labs vide circular dated 30.06.2016. Some of HOS have not sent as yet the confirmation report with regard to rooms identified for vocational labs. Procurement/establishment of labs through e-tendering process is almost completed and supply/ installation of lab equipments will be commenced from August 2016.

HOS of these schools are therefore, directed to provide rooms for laboratory purpose without fail. If rooms are not provided, the matter will be viewed seriously. This may be treated as the “Most Urgent”.

This issues with the prior approval of Spl. DE (Vocational)/ SMD-RMSA.
