MEETING NOTICE

Heads of 22 schools, where vocational education under NSQF is running since 2014-15, were requested many times through e-mail for submission of attested copy of reconciliation statement for the month of March 2016 duly reconciled by concerned PAO. A few of them has submitted the reconciliation statements and that too with some discrepancies. In the absence of actual expenditure figure duly reconciled by the concerned authority, it will be very difficult to get the funds released timely from MHRD as well as from Delhi Govt/State fund. Resultantly, the implementation of the scheme gets hampered badly.

With a view to sort out the problem, a meeting of Heads of all these 22 schools is scheduled to be held on 06.05.2016 at 11.30 AM in the chamber of Special DE (Vocational). Heads of all these 22 schools are directed to attend a meeting along with the attested copy of reconciliation statement duly reconciled by PAO concerned.
