No. F.DE.15 (230)/PSB/2019 / 1250 - 1254

Dated: 29-3-2019

Order

WHEREAS, this Directorate vide its order No. DE.15 (318)/PSB/2016/19786 dated 17.10.2017 issued 'Guidelines for implementation of 7th Central Pay Commission's recommendations in private unaided recognized Schools in Delhi' and directed that the private unaided Schools, which are running on land allotted by DDA/other govt. agencies with the condition in their allotment letter to seek prior approval of Director (Education) before any fee increase, needs to submit their online fee increase proposal for the academic session 2017-18. Accordingly, vide circular no. 19849-19857 dated 23.10.2017, the fee increase proposals were invited from all aforesaid Schools till 30.11.2017 and this date was further extended to 14.12.2017 vide Directorate's order No. DE.15 (318)/PSB/2016/20535 dated 20.11.2017 in compliance of directions of Hon'ble High Court of Delhi vide its order dated 14.11.2017 in CM No. 40939/2017 in WPC 10023/2017.

AND WHEREAS, attention is also invited towards order of Hon'ble High Court of Delhi dated 19.01.2016 in writ petition No. 4109/2013 in the matter of Justice for All versus GNCTD and others wherein it has been directed by the Hon'ble Delhi High Court that the Director of Education will ensure the compliance of conditions, if any, in the letter of allotment regarding prior approval of Director of education for the increase of fee by all the recognized unaided Schools which are allotted land by DDA.

AND WHEREAS, the Hon'ble High Court of Delhi while issuing the aforesaid direction has observed that the issue regarding the liability of private unaided Schools situated on the land allotted by DDA at concessional rates has been conclusively decided by the Hon'ble Supreme Court in the judgment dated 27.04.2004 passed in Civil Appeal No. 2699 of 2001 titled Modern School V. Union of India and others wherein Hon'ble Supreme Court in Para 27 and 28 has held as under:-

"27....

(c) It shall be the duty of the Director of Education to ascertain whether terms of allotment of land by the Government to the Schools have been complied with...

28. We are directing the Director of Education to look into the letters of allotment issued by the Government and ascertain whether they (terms and conditions of land allotment) have been complied with by the Schools.....

.....If in a given case, Director finds non-compliance of above terms, the Director shall take appropriate steps in this regard."

AND WHEREAS, the Hon'ble Supreme Court in the above said Judgment also held that under section 17(3),18(4) of Delhi School Education Act, 1973 read with rule

172,173,175 and 177 of Delhi School Education Rules 1973, Directorate of Education has the authority to regulate the fee and other charges to prevent commercialization of education.

AND WHEREAS, in pursuance to order dated 23.10.2017 of this Directorate, **Remal Public Senior Secondary School, Block A-2, Sector-3, Rohini, Delhi - 110085 (School Id: 1413238)** had submitted the proposal for increase in fee for the academic session 2017-18 including the impact on account of implementation of recommendations of 7th CPC.

AND WHEREAS, in order to ensure that the proposals submitted by the Schools for fee increase are justified or not, this Directorate has deployed teams of expert Chartered Accountants at HQ level who have evaluated the fee proposals of the School very carefully in accordance with the provisions of the DSEA, 1973, the DSER, 1973 and other orders/ circulars issued from time to time by this Directorate for fee regulation.

AND WHEREAS, necessary records and explanations were also called from the School vide email dated May 02, 2018. Further, School was also provided opportunity of being heard on July 13, 2018 to present its justifications/ clarifications on fee increase proposal including audited financial statements and based on the discussions, School was further asked to submit necessary documents and clarifications on various issues noted.

AND WHEREAS, the reply of the School, documents uploaded on the web portal for fee increase and subsequent documents submitted by the School were evaluated thoroughly by the team of Chartered Accountants. The key findings noted are as under:

Financial Irregularities:

- I. As per clause 14 of order no. F.DE. /15(56)/Act/2009/778 dated 11.02.2009, the development fee may be charged for supplementing the resources for purchase, up gradation of furniture, fixture and equipment. However, the school has utilised its development fee for purchase of library books of Rs. 1,02,487 in FY 2016-17 in contravention of clause 14 of order dated 11.02.2009. Therefore, the school is directed to make adjustment in Development Fund and Development Fund utilised to determine correct balance of reserves and to comply with clause 14 of order dated 11.02.2009.
- II. In respect of earmarked levies, school is required to comply with:
 - Clause 22 of order dated 11.02.2009, which specifies that earmarked levies shall be charged from user students on 'no profit no loss' basis;
 - Rule 176 of DSER, 1973, which provides that 'income derived from collections for specific purpose shall be spent only for such purpose';
 - Judgement of Hon'ble Supreme Court of India in the case of Modern School Vs Union of Others, which specifies that schools, being run as non-profit organizations, are supposed to follow fund-based accounting.

However, on review of the financial statements of the school it has observed that the school has been charging earmarked levies in the name of Transport charges, Smart Class and Computer and Science fee from the students but the same is not being charged on 'no profit no loss' basis. The school has earned surplus on all earmarked levies during the period. Further, the school is not following fund based accounting. Therefore, the school is directed to make adjustment in General Fund for surplus earned on aforesaid earmarked levies and to follow fund based accounting.

Further, as per the Duggal Committee report, there are four categories of fee that can be charged by a school. The first category of fee comprised of "registration fee and all One Time Charges" levied at the time of admission such as admission and caution money. The second category of fee comprise of "Tuition Fee" which is to be fixed to cover the standard cost of the establishment and also to cover expenditure of revenue nature for the improvement of curricular facilities like library, laboratories, science and computer fee up to class X and examination fee. The third category of the fee should consist of "Annual Charges" to cover all expenditure not included in the second category and the forth category should consist of all "Earmarked Levies" for the services rendered by the school and to be recovered only from the 'User' students. These charges are transport fee, swimming pool charges, Horse riding, tennis, midday meals etc.

Considering the aforesaid recommendation, the earmarked levies should be collected from the user students only availing the services/ facilities and if this service/facility has been extended to all the students of the school, the separate charges should not be collected because it would get covered either from the tuition fee or from the annual charges. Therefore, earmarked levy collected by the school in the name of Animation Fee would get covered either form annual fee or from tuition fee, thus the school is directed not to collect separate earmarked levy in the name of Smart class Fee.

Other Irregularities:

- I. As per order no. F.DE. /15(56)/Act/2009/778 dated 11.02.2009, the development fee shall be collected only if the school is maintaining depreciation reserve fund, equivalent to the depreciation charged in the revenue accounts. However, the school has been creating depreciation reserve fund to the extent of depreciation charged on assets purchased out of the development fund. Therefore, the school is directed to comply with order dated 11.02.2009.
- II. The fixed assets present in the financial statement in two categories i.e. assets purchased out of general fund are shown at WDV whereas assets purchased out of the development fee are shown at the gross value. Therefore, the school is directed to follow consistent accounting principle as per GN-21 issued by ICAI.
- III. The school is not maintaining the fixed register. Therefore, the school is directed to prepare the fixed assets register containing the details like quantity, type of

asset, purchase cost, date of purchase, location, fixed assets identification number, user of fixed assets and get the physical verification done.

- IV. As per Para 99 of Guidance note on "Accounting by School" issued by ICAI, relating to restricted fund, "Where the fund is meant for meeting capital expenditure, upon incurrance of the expenditure, the relevant asset account is debited which is depreciated as per the recommendations contained in this Guidance Note. Thereafter, the concerned restricted fund account is treated as deferred income, to the extent of the cost of the asset, and is transferred to the credit of the income and expenditure account in proportion to the depreciation charged every year".

Taking cognisance from the above para, it has been observed that school has not transferred any amount to the credit of Income & Expenditure account in proportion to the depreciation charged. Therefore, school may be instructed to follow Guidance Note-21.

- V. As per DOE order No.F.DE.15/Act-I/08155/2013/5506-5518 dated 04.06.2012 as well as s.no. 20 of DDA land allotment letter, the school shall provide 25% reservation to children belonging to EWS category. However, the school has not complied with above requirement in the FY 2014-15, FY 2015-16 and FY 2016-17. Therefore, DDE District is directed to look into the matter. The details of total students and EWS students for the FY 2014-15, 2015-16 & 2016-17 are given below:

Particulars	2014-15	2015-16	2016-17
Total students	1,184	1,319	1,293
EWS students	211	212	228
% EWS students to total students	18%	16%	18%

After detailed examination of all the material on record and considering the clarification submitted by the School, it was finally evaluated/ concluded that:

- i. The total funds available for the FY 2017-18 amounting to **Rs. 4,52,28,939** out of which cash outflow in the FY 2017-18 is estimated to be **Rs. 4,78,50,640**. This results in deficit of **Rs. 26,21,701**. The details are as follows:

(Figures in Rs.)

Particulars	Amount
Cash and Bank balances as on 31.03.17 as per audited Financial Statements	54,48,226
Investments as on 31.03.17 as per audited Financial Statements	13,87,050
Less: Fixed deposit with CBSE and DOE	(3,20,000)
Total	65,15,277
Add: Fees for FY 2016-17 as per audited Financial Statements (we have assumed that the amount received in FY 2016-17 will at least accrue in FY 2017-18)	3,84,73,922

Add: Other income for FY 2016-17 as per audited Financial Statements (we have assumed that the amount received in FY 2016-17 will at least accrue in FY 2017-18)	2,39,740
Estimated availability of funds for FY 2017-18	4,52,28,939
Less: Budgeted expenses for the session 2017-18 (after making adjustment)	4,78,50,640
Estimated Deficit	(26,21,701)

Note 1: Under the major head of expenditures, the budgeted figures in FY 2017-18 have been over estimated as compared to FY 2016-17, for which the school has not provided any justification. Therefore, such expenditure in excess of 10% has not been considered in the evaluation of fee increase proposal. The details of such expenditure are as under:

(Figures in Rs.)

Particulars	FY 2016-17	FY 2017-18	Net Increase	% Change	Disallowed
Salary-teaching staff	2,10,20,989	2,47,11,833	36,90,844	18%	15,88,745
Salary-non-teaching staff	18,35,264	22,47,813	4,12,549	22%	2,29,023
Total	2,28,56,253	2,69,59,646	41,03,393	18%	18,17,768

Note 2: The school has proposed 7th cpc arrears amounting to Rs. 1,80,87,901 which is 79% of salary expenses of FY 2016-17. The school has not implemented 6th cpc i.e school is paying 61% of basic salary as DA and no HRA is given to teaching staff. As the school has not implemented 6th cpc wholly therefore the burden of 7th cpc is more. Hence, salary arrears to the extent of 30% shall be allowed and excess of Rs.1,12,31,025 [1,80,87,901-(2,28,56,253*30%)] has not been considered in the evaluation of fee increase proposal.

ii. It seems that the School may not be able to meet its budgeted expenses from the existing fees structure and accordingly, it should utilise its existing funds/ reserves. In this regard, Directorate of Education has already issued directions to the Schools vide circular no. 1978 dated 16/04/2010 that,

“All Schools must, first of all, explore and exhaust the possibility of utilising the existing funds/ reserves to meet any shortfall in payment of salary and allowances, as a consequence of increase in the salary and allowance of the employees. A part of the reserve fund which has not been utilised for years together may also be used to meet the shortfall before proposing a fee increase.”

AND WHEREAS, in the light of above evaluation which is based on the provisions of DSEA, 1973, DSER, 1973, guidelines, orders and circulars issued from time to time by this Directorate, it was recommended by the team of Chartered Accountants that though certain financial irregularities exist (appropriate financial impact of which has been taken on the fund position of the School) and certain

procedural finding noted (appropriate instruction against which have been given in this order), the fee increase proposal of the School may be accepted.

AND WHEREAS, recommendations of the team of Chartered Accountants along with relevant material were put before the Director of Education for consideration and who after considering all the material on the record, found it appropriate to allow the increase in tuition fee by 12.5% from 01 April, 2019.

Accordingly, it is hereby conveyed that the proposal of fee increase of **Remal Public Senior Secondary School, Block A-2, Sector-3, Rohini, Delhi - 110085 (School Id: 1413238)** has been accepted by the Director of Education with effect from April 01, 2019 and the School is hereby allowed to increase the tuition fee by 10%. Further, the management of said school is hereby directed under section 24(3) of DSEAR 1973 to comply with the following directions:

1. To increase the tuition fee only by the prescribed percentage from the specified date.
2. To rectify all the financial and other irregularities as listed above and submit the compliance report within 30 days from the date of this order to the D.D.E (PSB).
3. To ensure implementation of recommendations of 7th CPC in accordance with Directorate order dated 25.08.2017.
4. To ensure that the salaries and allowances shall come out from the fees whereas capital expenditure will be a charge on the savings in accordance with the principles laid down by Hon'ble Supreme Court of Delhi in its Judgment of Modern School vs Union of India and others. Therefore, School not to include capital expenditure as a component of fee structure to be submitted by the School under section 17(3) of DSEA, 1973.
5. To utilize the fee collected from students in accordance with the provisions of Rule 177 of the DSER, 1973 and orders and directions issued by this Directorate from time to time.

Non-compliance of this order or any direction herein shall be viewed seriously and will be dealt with the provision of section 24(4) of DSEA, 1973 and DSER, 1973.
