GOVERNMENT OF NATIONAL CAPITAL TERRITORY OF DELHI DIRECTORATE OF EDUCATION (PRIVATE SCHOOL BRANCH) OLD SECRETARIAT, DELHI-110054

No. F.DE.15(275)/PSB/2021/ 4763-68

Dated: 24 11 21

ORDER

WHEREAS, every school is required to file a full statement of fees every year before the ensuing academic session under section 17(3) of the Delhi School Education Act, 1973 (hereinafter read as 'the Act') with the Director. Such statement will indicate estimated income of the school derived from fees, estimated current operational expenses towards salaries and allowances payable to employees etc in terms of Rule 177(1) of the Delhi School Education Rules, 1973 (hereinafter read as 'the Rules').

AND WHEREAS, as per section 18(5) of the Act read with section 17(3), 24 (1) of the Act and Rule 180 (3) of the DSEA & R, 1973, responsibility has been conferred upon the Director (Education) to examine the audited financial, account and other records maintained by the school at least once in each financial year. The Section 18(5) and Section 24(1) of the Act and Rule 180 (3) have been reproduced as under:

Section 18(5): 'the managing committee of every recognised private school shall file every year with the Director such duly audited financial and other returns as may be prescribed, and every such return shall be audited by such authority as may be prescribed'

Section 24(1): 'every recognised school shall be inspected at least once in each section financial year in such manner as may be prescribed' and the section of the section

Rule 180 (3): 'the account and other records maintained by an unaided private school shall be subject to examination by the auditors and inspecting officers authorised by the Director in this behalf and also by officers authorised by the Comptroller and Auditor-General of India.'

AND WHEREAS, besides the above, the Hon'ble Supreme Court in the judgment dated 27.04.2004 passed in Civil Appeal No. 2699 of 2001 titled Modern School Vs. Union of India and others has conclusively decided that under section 17(3), 18(4) read along with rule 172, 173, 175 and 177 of the Rules, Directorate of Education has the authority to regulate the fee and other charges to prevent the profiteering and commercialization of education.

AND WHEREAS, it was also directed by the Hon'ble Supreme Court to the Director of Education in the aforesaid matter titled Modern School Vs. Union of India and others in Para 27 and 28 in case of Private unaided Schools situated on the land allotted by DDA at concessional rates that:

"27....

(c) It-shall be the duty of the Director of Education to ascertain whether terms of allotment of land by the Government to the schools have been complied with...

28. We are directing the Director of Education to look into the letters of allotment issued by the Government and ascertain whether they (terms and conditions of land allotment) have been complied with by the schools......

.....If in a given case, Director finds non-compliance of above terms, the Director shall take appropriate steps in this regard."

AND WHEREAS, the Hon'ble High Court of Delhi vide its judgement dated 19.01.2016 in writ petition No. 4109/2013 in the matter of Justice for All versus Govt. of NCT of Delhi and others has reiterated the aforesaid directions of the Hon'ble Supreme Court and has directed the Director of Education to ensure the compliance of term, if any, in the letter of allotment regarding the increase of the fee by all the recognized unaided schools which are allotted land by DDA/ land owing agencies.

AND WHEREAS, accordingly, this Directorate vide order No. F.DE.15 (40)/PSB/2019/2698-2707 dated 27.03.2019, directed that all the Private Unaided Recognized Schools running on the land allotted by DDA/other Govt. agencies on concessional rates or otherwise, with the condition to seek prior approval of Director of Education for increase in fee, are directed to submit their proposals, if any, for prior sanction for increase in fee for the session 2018-19 and 2019-20.

AND WHEREAS, in pursuance to order dated 27.03.2019 of this Directorate, Sadhu Vaswani International School for Girls (School ID-1719121), Shanti Niketan, New Delhi-110021 had submitted the proposal for fee increase for the academic session 2018-19.

Accordingly, this order is dispensed off the proposal for enhancement of fee submitted by the Schoolfor the academic session 2018-19.

AND WHEREAS, in order to ensure that the proposals submitted by the schools for fee increase are justified or not, this Directorate has deployed teams of Chartered Accountants at HQ level who has evaluated the fee increase proposals of the school very carefully in accordance with the provisions of the DSEA, 1973, the DSER, 1973 and other orders/ circulars issued from time to time by this Directorate for fee regulation.

AND WHEREAS,in the process of examination of fee hike proposal filed by the aforesaid School for the academic session 2018-19,necessary records and explanations were also called from the school through email. Further, the school was also provided an opportunity of being heard on 15.11.2019 to present its justifications/ clarifications on fee increase proposal including audited financial statements and based on the discussion, school was further asked to submit necessary documents and clarification on various issues noted. During the aforesaid hearing compliances against order no. F.DE.15(558) PSB/2018/30300-30304 dated 10.12.2018 issued for academic session 2017-18 were also discussed and school submissions were taken on record.

AND WHEREAS, the reply of the school, documents uploaded on the web portal for fee increase together with subsequent documents/ clarifications submitted by the school were thoroughly evaluated by the team of Chartered Accountants. And based on evaluation

of fee proposal of the school the key findings and status of compliance against order no. F.DE.15(558) PSB/2018/30300-30304 dated 10.12.2018 issued for academic session 2017-18 are as under:

A. Financial Discrepancies

 As per direction no. 2 included in the Public Notice dated 04.05.1997, "it is the responsibility of the society who has established the school to raise such funds from their own sources or donations from the other associations because the immovable property of the school becomes the sole property of the society".

Additionally, Hon'ble High Court of Delhi in its judgement dated 30.10.1998 in the case of Delhi Abhibhavak Mahasangh concluded that "The tuition fee cannot be fixed to recover capital expenditure to be incurred on the properties of the society." Also, Clause (vii) (c) of Order No. F.DE/15/Act/2K/243/KKK/ 883-1982 dated 10.02.2005 issued by this Directorate states "Capital expenditure cannot constitute a component of the financial fee structure."

Further, Rule 177 of DSER,1973 states "income derived by an unaided private recognised school by way of fees shall be utilised in the first instance, for meeting the pay, allowances and other benefits admissible to the employees of the school. Provided that savings, if any, from the fees collected by such school may be utilised by its management committee for meeting capital or contingent expenditure of the school, or for one or more of the following educational purposes, namely award of scholarships to students, establishment of any other recognised school, or assisting any other school or educational institution, not being a college, under the management of the same society or trust by which the first mentioned school is run".

The abovementioned savings shall be arrived at after providing for the following, namely:

- a) Pension, gratuity and other specified retirement and other benefits admissible to the employees of the school;
- b) The needed expansion of the school or any expenditure of a developmental nature;
- The expansion of the school building or for the expansion or construction of any building or establishment of hostel or expansion of hostel accommodation;
- d) Co-curricular activities of the students;
- e) Reasonable reserve fund, not being less than ten percent, of such savings.

Based on the above-mentioned provisions, the cost relating to land and construction of the school building should be met by the society, being the property of the society not from the school funds.

As per order no. F.DE.15(558) PSB/2018/30300-30304 dated 10.12.2018 issued for academic session 2017-18, it was noted that the school had made additions to building amounting Rs. 15,79,709 out of school funds in contravention of above-mentioned provisions and school was directed to recover the aforesaid amount from the society.

The aforesaid recovery is still pending, and the school has further submitted that the above addition to the school building was done in accordance with provisions of DSEAR, 1973. This contusion of the school is not correct because as per Rule 177 the income of the school should be utilised for meeting the employees related cost. While based on the review of the audited financial statements of the school it has been noted that the school is yet to make investment in plan assets for the retirement benefits. Thus, the aforesaid expenditure incurred by the school on addition to the building is not in accordance with aforesaid provisions. Therefore, it has been included while deriving the fund position of the school considering the same fund is available with the school. And the school is further may be instructed to recover this amount from the society within 30 days from the date of issue of the order. Non-compliance with the above direction may be viewed seriously while evaluating the fund position of the school for ensuing academic session.

2. As per Rule 172 – 'Trust or society not to collect fee, etc. schools to grant receipts for fees, etc., collected by it' of Delhi School Education Rules 1973 " (1) No fee, contribution or other charge shall be collected from any student by the trust or society running any recognised school; whether aided or not. (2) Every fee, contribution or other charge collected from any student by a recognised school, whether aided or not, shall be collected in its own name and a proper receipt shall be granted by the school for every collection made by it."

As per Directorate's order no. F.DE.15(558) PSB/2018/30300-30304 dated 10.12.2018 issued for academic session 2017-18, it was noted that the society had collected certain component of fees from students amounting Rs. 52,48,924 during the FY 2013-314 to FY 2016-17 and debited the same in the society's ledger. The school was further directed to recover the aforesaid amount from society within 30 days from the date of the issue of order. While aforesaid recovery from society is still pending for recovery. The status of this recovery was discussed with the school during the personal hearing, based on the verbal discussion with the concerned official of the school, the school was not looking keen to recover the aforesaid amount from the society. Accordingly, the total amount Rs. 52,48,924 which is pending for recovery has been included in the calculation of fund availability of the school with the direction to recover this amount from the society within 30 days from the issue of the order. Failing to comply with the above strict action may be initiated against the school under section 24 of the DSEA,1973.

3. As per clause 14 of DoE's Order No. F.DE./15 (56) /Act /2009 / 778 dated 11.02.2009 "Development fee, not exceeding 15% of the total annual tuition fee may be charged for supplementing the resources for purchase, upgradation and replacement of furniture, fixtures and equipment. Development fee, if required to be charged, shall be treated as capital receipt and shall be collected only if the school is maintaining a Depreciation Reserve Fund, equivalent to the depreciation charged in the revenue accounts and the collection under this head along with income generated from the investment made out of this fund, will be kept in a separately maintained Development Fund Account."

Page 4 of 13

Further, para 99 of Guidance Note on Accounting by Schools (2005) issued by the Institute of Chartered Accountants of India specify the accounting treatment for specific funds. The GN-21 states "Where the fund is meant for meeting capital expenditure, upon incurrence of the expenditure, the relevant asset account is debited which is depreciated as per the recommendations contained in this Guidance Note. Thereafter, the concerned restricted fund account is treated as deferred income, to the extent of the cost of the asset, and is transferred to the credit of the income and expenditure account in proportion to the depreciation charged every year."

From review of the audited financial statements for FY 2016-17, FY 2017-18 and 2018-19, it has been noted that the school purchased fixed assets out of development fund amounting to Rs.43,19,490, Rs.9,16,691 and Rs. 26,66,492 respectively. However, the school has not been following accounting treatment prescribed in the aforesaid GN-21 issued by ICAI. And thus, has not created a restricted fund, in the nature of deferred income equivalent to the cost of the amount utilised as deferred revenue income the school transferred the equivalent amount to general fund. Thus, the accounting treatment followed by the school is not in accordance with the guidance noted- 21 issued by ICAI. Therefore, the school may be instructed to prepare and present its financial statements in accordance with the Guidance Noted- 21 issued by ICAI and pass the necessary rectification entry in its financial statements.

Moreover, it has also been noted that the school has utilised the development fund / fee for meeting the expenditure relating to repair and renovation of building for Rs.21,65,091 in FY 2016-17 and Rs. 1,16,155 in FY 2017-18 and for payment of property tax Rs. 8,93,643 in FY 2016-17 and Rs. 8,93,608 in FY 2017-18 which is also 7 and is a second seco and the not in accordance with the aforesaid provisions of clause 14 of the order dated and islands of the 11.02.2009. As per clause 14 of the order dated 11.02.2009 the development fund/ fee thy is and perform some can only be utilised for purchase, upgradation and replacement of furniture affixtures and the property of the contract of the contrac as diding line pursuant and equipment and not for repair and renovation of building and for other revenue, consist and by at distribution in the expenditure. and all the properties of the attraction and the statement of the second of the second

In view of the above, the school may be directed to make necessary rectification entries in its books of accounts relating to development fund and also, requires to comply with clause 14 of the order dated 11.02.2009 and Para 99 of the GN-21 issued by the Institute of Chartered Accountants of India.

4. As per the Directorate's Order No. DE 15/Act/Duggal.com/203/ 99/23033/23980 dated 15.12.1999, the management is restrained from transferring any amount from the recognized unaided school fund to society or trust or any other institution. The Supreme Court also through its judgement on a review petition in 2009 restricted transfer of funds to the society.

Further, as per Directorate's order no. F.DE.15(558) PSB/2018/30300-30304 dated 10.12.2018 issued post evaluation of fee increase proposal for the financial year 2017-18, the financial statements of the school for FY 2016-17 revealed that an amount Rs. 3,24,81,447 was payable to the society which was taken by the school in earlier years for setting up of school. The school had also submitted that this is not required to refund to the society in future.

Page 5 of 13

However, from review of audited Financial Statements for FY 2018-19, it has been noted that amount payable to society has been reduced to Rs. 3,23,27,022 as at 31.03.2019. During personal hearing, school once again submitted that the above said fund was taken from society to meet the deficit for running the school and the same is refundable on improvement of fund position of the school.

In view of the above the school has submitted two different statements before the department which itself create scope of doubt on integrity and intention of the school. Further, the school did not provide any evidence regarding when the said funds was taken and its ultimate utilisation. Thus, in absence of complete details no financial impact has been given while deriving the fund position of the school. Further, the school is directed to submit complete details of last five years financial statements along with society's ledger and bank account to the department for detail inspection. The outcome of such inspection may be utilised by the department in deriving the fund position of the school while evaluating the fee increase proposal of the school for the subsequent year.

- 5. As per Accounting Standard 15 'Employee Benefits' issued by the Institute of Chartered Accountants of India states "Accounting for defined benefit plans is complex because actuarial assumptions are required to measure the obligation and the expense and there is a possibility of actuarial gains and losses." Further, the Accounting Standard defines Plan Assets (the form of investments to be made against liability towards retirement benefits) as:
- The services with a contract Assets held by a long-term employee benefit fund; and the later a long term as a seven becomes

From the development in the first of the first of the properties of the first of th

control of the Applicable Qualifying insurance policies.

Para 57, of Accounting Standard 15 - 'Employee Benefits' issued by the Institute of Chartered Accountants of India, "An enterprise should determine the present value of defined benefit obligations and the fair value of any plan assets with sufficient regularity that the amounts recognised in the financial statements do not differ materially from the amounts that would be determined at the balance sheet date."

Based on the documents submitted by the school and taken on record, it has been observed that the actuarial valuation reports towards gratuity and leave encashment has indicated actuarial liability of Rs.3,83,47,454 and Rs.1,26,85,287 respectively as on 31.03.2019 against which equivalent provision has also been created in the financial statements of the school. As per Directorate's order no. F.DE.15(558) PSB/2018/30300-30304 dated 10.12.2018, the school was directed to make earmarked investments against provision for gratuity and leave encashment with LIC (or any other agency) within 30 days of the receipt of the said order.

However, from the documents submitted by the school, it has been noted that the school has earmarked equivalent amount of fixed deposits with bank towards retirement benefits as on 31.03.2019, which does not qualify as 'Plan Asset as per Accounting Standard 15.

Page 6 of 13

Therefore, school is directed to make equivalent investments against retirement liabilities in the 'Plan Assets' in accordance with AS-15. However, the amount of liability reported in the financial statements as on 31.03.2019 has been considered for calculation of fund available with the direction to the school to invest equivalent amount in plan assets in accordance with AS-15. And may submit the compliance report within 30 days from the date of issue of order. Since, all the provisions has already been considered while deriving the fund position therefore provision amounting to Rs. 52,12,739 made by the school during FY 2018-19 against gratuity and leave encashment has not been considered as part of the expenditure to avoid duplicity.

6. As per Section 13 of Right to Education Act, 2009, the school should not charge capitation fee from the students at the time of admission. Further, the Supreme Court in its Judgement dated 02.05.2016 in the matter of Modern Dental College And Research Centre Vs. State of Madhya Pradesh [Medical Council of India] held that education is a noble profession. "Every demand of capitation fee by educational institutions is unethical & illegal. It emphasised that the commercialization and exploitation is not permissible in the education sector and institutions must run on 'no-profit-no-loss' basis".

Hon'ble Supreme Court categorically held that "Though education is now treated as an 'occupation' and, thus, has become a fundamental right guaranteed under Article 19(1) (g) of the Constitution, at the same time shackles are put in so far as this particular occupation is concerned, which is termed as noble. Therefore, profiteering and commercialization are not permitted, and no capitation fee can be charged. The admission of students has to be on merit and not at the whims and fancies of the educational institutions.

However, it has been observed that Rs. 20,000 is being collected in the name of 'Ancillary Charges' at the time of admission as one-time charge from all new admissions. The charging of unwarranted fee or charging of any other amount/fee thereof prima-facie is considered as collection of capitation fee in other manner and form. Therefore, the school is directed to immediately stop such capitation fee.

B. Other Discrepancies

 As per Rule 176 of the DSER, 1973 "Income derived from collections for specific purposes shall be spent only for such purpose." And as per Clause 22 of Order No. F.DE./15(56)/ Act/2009/778 dated 11.02.2009 "Earmarked levies will be calculated and collected on 'no-profit no loss' basis and spent only for the purpose for which they are being charged."

Further, sub-rule 3 of Rule 177 of DSER, 1973 states "Funds collected for specific purposes, like sports, co-curricular activities, subscriptions for excursions or subscriptions for magazines, and annual charges, by whatever name called, shall be spent solely for the exclusive benefit of the students of the concerned school and shall not be included in the savings referred to in sub-rule (2)." Further, Sub-rule 4 of the said rule states "The collections referred to in sub-rule (3) shall be administered in the same manner as the monies standing to the credit of the Pupils Fund is administered."

Also, earmarked levies collected from students are a form of restricted funds, which, according to Guidance Note on Accounting by Schools issued by the Institute of Chartered Accountants of India, are required to be credited to a separate fund account when the amount is received and reflected separately in the Balance Sheet.

Further, the aforementioned Guidance Note lays down the concept of fund based accounting for restricted funds, whereby upon incurrence of expenditure, the same is charged to the Income and Expenditure Account ('Restricted Funds' column) and a corresponding amount is transferred from the concerned restricted fund account to the credit of the Income and Expenditure Account ('Restricted Funds' column).

On review of audited Financial Statements and documents submitted by the school, it has been noted that the school charges earmarked levies in the form of Transport Fees, Activity fees, Computer and ICT Fees, Science feesand Other fees from students.

The school was directed by this directorate through its order no. F.DE.15(558) PSB/2018/30300-30304 dated 10.12.2018 issued for academic session 2017-18 to maintain separate fund account depicting clearly the amount collected, amount utilised and balance amount for each earmarked levy collected from students. However, the school has not maintained separate fund accounts for the above mentioned earmarked levies. The details of funds position for the three financial years as follows:

*The school did not provide the detailed break up of other fees collected and amount of expenditure out of it.

Further, as per the Duggal Committee report, there are only four categories of fee that can be charged by a school. The first category of fee comprises of "registration fee and all One Time Charges" which is levied at the time of admission such as Admission and Caution Money. The second category of fee comprise of "Tuition Fee" which is to be fixed to cover the standard cost of the establishment and also to cover expenditure of revenue nature for the improvement of curricular facilities like Library, Laboratories, etc., and Science and Computer fee up to class X and examination fee. The third category of the fee should consist of "Annual Charges" to cover all expenditure not included in the second category and the fourth category should consist of all "Earmarked Levies" for the services rendered by the school and to be recovered only from the 'User' students. These charges are Transport Fee, Swimming Pool Charges, Horse Riding, Tennis, Midday Meals etc.

Based on the aforesaid provisions, earmarked levies are to be collected only from the user students availing the services. And if the services are extended to all the students of the school, a separate charge should not be levied by the school as it would get covered either form the Tuition Fee or from Annual Charges. The charging of unwarranted fee or charging of any other amount/fee under different heads other than prescribed and accumulation of surplus fund thereof prima-facie is considered as collection of capitation fee in other manner and form. Therefore, the school is directed to stop collecting separate charges in the name of the Activity fees, Computer and ICT fees and Other fees immediately failing which necessary action shall be initiated against the school under section 24(4) of DSEA, 1973.

2. As per directorate order no. F.DE.15(558) PSB/2018/30300-30304 dated 10.12.2018 issued to the school post evaluation of proposal for enhancement of fee for FY 2017-18 it was noted that the school had not prepared Fixed Asset register (FAR) in proper format and captured the asset name, date of purchase and the amount in the FAR. The school had not included complete details in the FAR such as serial number, location, invoice number, supplier, identification number, depreciation, etc. to facilitate identification of asset and documenting complete details of assets at one place.

During personal hearing, the school has confirmed that it is in process to update the FAR with abovementioneddetails. The school is again directed to update the FAR with relevant details mentioned above and the same shall be verified at the time of examination of fee proposal for next financial year.

3. As per the condition of Land allotment letter, the School shall not increase any fee without prior sanction of the Directorate of Education and shall follow the provisions of Delhi Education Act/ Rules, 1973 and other instruction issued from time to time. Accordingly, the Directorate of Education sought online proposals from the Schools which was allotted land by Land owning agencies having condition of obtaining prior approval from the Directorate of Education vide Order No. F. DE-15/ACT-I/WPC-5256/16/9352/-9359 dated 16.04.2016.

Page 9 of 13

However, on review of the fee receipts provided by the school it has been observed that the school has increased the tuition fee in FY 2018-19 without obtaining prior approval from the Directorate of Education. School has not submitted the details of excess fee collected and therefore, no adjustment has been made in the calculation of the fund availability. Therefore, the school is directed to roll back the increased fee or adjust the excess amount collected by the school against the future fee receivable from the students.

After detailed examination of all the material on record and considering the clarification submitted by the school, it was finally evaluated/ concluded that:

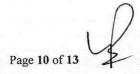

i. The total available funds for the year 2018-19 amounting to Rs.18,07,30,218out of which cash outflow in the year 2018-19 is estimated to be Rs.14,90,74,873. This results in net surplusamounting to Rs. 3,16,55,345. The details are as follows:
