

Careers in Navy

The Indian Navy, as one of the three wings of Indian Armed Forces has kept pace with ever changing advanced technologies and operates and maintains highly sophisticated ships, submarines and aircraft. It offers a unique way of exploring your life and provides ample opportunities to exploit your potential in every sphere of life. Career in navy provides a level of security and comfort that is almost unheard of in civilian life. Presently, women officers are being inducted into the Law, Logistics, ATC, Observers (Aviation), Naval Architecture & Education Branch as Short Service Commission officers. They have the option to join the Executive, Technical and Education Branches of the Indian Navy.
