NIOS School Project was initiated by the Directorate of Education in the session 2017-18 considering the large number of students of Govt. Schools of DoE who were not able to clear class IX/X exam under CBSE examination pattern. These students get associated with NIOS Board, Noida under NIOS School Project. The intention behind the implementation of NIOS School Project was to reduce number of dropouts and bring them into the mainstream of regular schooling system of DoE to enable students to complete their formal education upto class XII. This innovation creates miracles in the life of thousands of students to save their one precious year in order to join regular schooling system.

Last year 96 NIOS Study Centers were working under NIOS Project but this year due to merger of schools, No. of students, availability of rooms and recommended of concerned DDE (Districts), 80 Study Centers are approved by competent authority. The list of centers is as under:
