Dear Sir,

03.07.2024

Greetings from Publications Division!

Publications Division, Ministry of Information and Broadcasting, is the premier publishing organisation of the Government of India, established in 1941. It is mandated to bring out books and journals on issues of national importance and make them available to people at an affordable price.

Besides quality books and journals, we publish weekly **Employment News** in English, Hindi and Urdu, which was started in 1976 to make the youth (especially those living in rural and semi-urban areas) aware about the job and career opportunities in government sector. Since then, Employment News is playing a pivotal role by expanding its reach through e-version to mobiles, tabs, and personal computers.

We look forward for your cooperation to ensure the presence of few copies of Employment News in your State's libraries to cater to the aspirations of students regarding the emerging career avenues and job opportunities. Besides job, training and admission advertisements, detailed articles on topics of relevance which are often asked in competitive examinations in the Current Affairs section are carried in every issue of the paper, which makes it a collector's delight.

You may please direct the schools to consider subscription of Employment News for their libraries at a yearly subscription price of Rs. 530/-. However, as there may be delivery issues through ordinary post, you may also purchase along with tracking facility and fast delivery based yearly subscription at a nominal price of Rs. 1250/-. A meager investment of Rs. 5000/- annually will ensure the presence of 04 copies of Employment News (English)/Rozgar Samachar (Hindi/Urdu) as per their preference in their school's library every week for the benefit of students.

Looking forward for an early and positive response.

With warm regards.

Yours sincerely,

R. Chidambaranathan
