Circular

Samagra Shiksha Delhi under the support received from Ministry of Education, Govt. of India in session 2024-25 for the activities namely Support at Pre-Primary Level and NIPUN Bharat Mission has developed and disseminated the school wise material in the Primary and Pre-Primary schools of DoE, MCD, NDMC, DCB and DSW.

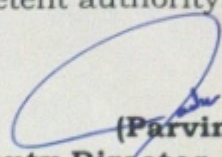

This year on the basis of the need assessment there has been a shift in the approach wherein the child wise grade wise KITs were designed and developed by Samagra Shiksha which are to be distributed to all the enrolled children in these grades. Through the use of these Kits the children would be able to continue their joyful learning through the fun based activities and the practice of writing, numeracy skills etc. at home, post school hours.

All Principals/In charges and Teachers are expected to arrange to distribute these child wise KITs to the children enrolled in each grade in the academic session 2025-26 preferably in a school wise function. Additionally the schools are expected to involve the SMC members and people from the community, parents etc. in this program of distribution of KITs. The proper documentation of the event alongwith the intimation of its schedule etc. to the

Samagra Shiksha-HQ shall be highly appreciated. (List of items are annexed as Annexure -A). Designated monitoring team of Samagra Shiksha may visit to study the efficacy of the intervention and to get the feedback.

Any suggestions or feedback with respect to the above can be shared on spd_delhi@rediffmail.com Consultant LEP and NIPUN Nodal Samagra Shiksha-Delhi.

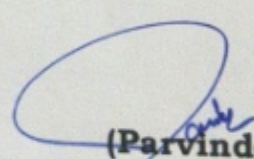

This issues with the prior approval of the Competent authority.
