28. We are directing the Director of Education to look into the letters of allotment issued by the Government and ascertain whether they (terms and conditions of land allotment) have been complied with by the schools... ..

.....If in a given case, Director finds non-compliance of above terms, the Director shall take appropriate steps in this regard."

AND WHEREAS, the Hon'ble High Court of Delhi vide its judgement dated 19.01.2016 in writ petition No. 4109/2013 in the matter of Justice for All versus Govt. of NCT of Delhi and Others, has reiterated the aforesaid directions of the Hon'ble Supreme Court and has directed the DoE to ensure compliance of terms, if any, in the letter of allotment regarding the increase of the fee by recognized unaided schools to whom land has been allotted by DDA/ other land-owning agencies.

AND WHEREAS, accordingly, the DoE vide order No. F.DE.15 (40)/PSB/2019/2698-2707 dated 27.03.2019, directing all the private unaided recognized schools, running on the land allotted by DDA/other land-owning agencies on concessional rates or otherwise, with the condition to seek prior approval of DoE for increase in fee, to submit their proposals, if any, for prior sanction, for increase in fee for the session 2018-19 & 2019-20.

AND WHEREAS, in pursuance to Order dated 27.03.2019 of the DoE, the School submitted its proposal for enhancement of fee for the academic session 2019-20. Accordingly, this Order dispenses the proposal for enhancement of fee submitted by the School for the academic session 2019-20.

AND WHEREAS, in order to examine the proposals submitted by the schools for fee increase for justifiability or not, the DoE has deployed teams of Chartered Accountants at HQ level who has evaluated the fee increase proposals of the School very carefully in accordance with the provisions of the DSEAR, 1973, and other Orders/ Circulars issued from time to time by the DoE.

AND WHEREAS, in the process of examination of fee hike proposal filed by the aforesaid School for the academic session 2019-20, necessary records and explanations were also called from the school through email. Further, the School was also provided an opportunity of being heard on 20.11.2019 to present its justifications/ clarifications on fee increase proposal including audited financial statements. Based on discussions, the School was further asked to submit necessary documents and clarification on various issues were noted.

AND WHEREAS, the response of the school along with documents uploaded on the web portal for fee increase, and subsequent documents submitted by the school, were evaluated by the team of Chartered Accountants, the key findings noted are as under:

A. Financial Observations

1. Clause 14 of DoE's Order No. F.DE./15 (56) /Act /2009 / 778 dated 11.02.2009 states *"Development fee, not exceeding 15% of the total annual tuition fee may be charged for supplementing the resources for purchase, up gradation and replacement of furniture, fixtures and equipment.*

Development fee, if required to be charged, shall be treated as capital receipt and shall be collected only if the school is maintaining a Depreciation Reserve Fund, equivalent to the depreciation charged in the revenue accounts and the collection under this head along with and income generated from the investment made out of this fund, will be kept in a separately maintained Development Fund Account."

Para 99 of Guidance Note on Accounting by Schools (2005) issued by the Institute of Chartered Accountants of India states "Where the fund is meant for meeting capital expenditure, upon incurrance of the expenditure, the relevant asset account is debited which is depreciated as per the recommendations contained in this Guidance Note. Thereafter, the concerned restricted fund account is treated as deferred income, to the extent of the cost of the asset, and is transferred to the credit of the income and expenditure account in proportion to the depreciation charged every year."

Further, Para 102 of the aforementioned Guidance Note states "In respect of funds, schools should disclose the following in the schedules/notes to accounts:

- (a) In respect of each major fund, opening balance, additions during the period, deductions/utilisation during the period and balance at the end;
- (b) Assets, such as investments, and liabilities belonging to each fund separately;
- (c) Restrictions, if any, on the utilisation of each fund balance;
- (d) Restrictions, if any, on the utilisation of specific assets."

As per para 67 of the Guidance Note on 'Accounting by Schools' issued by Institute of Chartered Accountants of India, "The financial statements should disclose, inter alia, the historical cost of fixed assets." Further, Notes to Part II of Appendix III to the aforementioned Guidance Note states "Under each head, the original cost, the additions thereto and deductions therefrom during the year, depreciation written off or provided during the year, and the total depreciation written off or provided up to the end of the year should be stated."

On review of the audited financial statements, it has been noted that the school has purchased fixed assets out of the development fund of INR 1,34,419 in FY 2015-16, INR 8,91,269 in FY 2016-17, INR 2,17,076 in FY 2017-18 and INR 1,03,429 in FY 2018-19 respectively.

Based on the presentation made in the audited financial statements for FY 2018-2019, it has been noted on purchase of assets out of the development fund the same is transferred to the general fund instead of treating this as deferred income. By doing this the school has overstated its general fund account with the notional amount. Further, this deferred income should be written off in the proportion of depreciation charged in the income and expenditure account which the school is not following. Thus, the school is not following correct accounting treatment specified in the GN-21 cited above due to this the closing balance of development of INR 10,72,850 has not been considered while deriving the fund position of the school.

Therefore, the school is directed to prepare and present its financial statement as per the Guidance Note- 21 issued by ICAI. Further, the school is directed to adjust General Fund for the purpose of determination of actual position of General Fund.

2. As per Accounting Standard 15 - 'Employee Benefits' issued by the Institute of Chartered Accountants of India states "Accounting for defined benefit plans is complex because actuarial

assumptions are required to measure the obligation and the expense and there is a possibility of actuarial gains and losses." Further, the Accounting Standard defines Plan Assets (the form of investments to be made against liability towards retirement benefits) as:

- a. Assets held by a long-term employee benefit fund; and
- b. Qualifying insurance policies

Para 57 of Accounting Standard 15 - 'Employee Benefits' issued by the Institute of Chartered Accountants of India, *"An enterprise should determine the present value of defined benefit obligations and the fair value of any plan assets with sufficient regularity that the amounts recognised in the financial statements do not differ materially from the amounts that would be determined at the balance sheet date."*

On review of financial statements for FY 2017-18 and FY 2018-19, it has been noted that neither the school has recorded any provision for liability towards gratuity and leave encashment in the audited financial statements nor it has obtained the actuarial valuation report determined by the actuary in accordance with AS-15 issued by ICAI.

Accordingly, the school is hereby directed to get the actuarial valuation of its liability for retirement benefit and report the same in its audited financial statement within 30 days from the date of issue of this order. The school is also required to invest equivalent to amount determined by the actuary in a scheme that qualify as "Plan Asset" within the meaning of AS-15.

B. Other Observations

1. Rule 176 - 'Collections for specific purposes to be spent for that purpose' of the DSER, 1973 states *"Income derived from collections for specific purposes shall be spent only for such purpose."*

Para no. 22 of Order No. F.DE./15(56)/ Act/2009/778 dated 11 Feb 2009 states *"Earmarked levies will be calculated and collected on 'no-profit no loss' basis and spent only for the purpose for which they are being charged."*

Sub-rule 3 of Rule 177 of DSER, 1973 states *"Funds collected for specific purposes, like sports, co-curricular activities, subscriptions for excursions or subscriptions for magazines, and annual charges, by whatever name called, shall be spent solely for the exclusive benefit of the students of the concerned school and shall not be included in the savings referred to in sub-rule (2)."* Further, Sub-rule 4 of the said rule states *"The collections referred to in sub-rule (3) shall be administered in the same manner as the monies standing to the credit of the Pupils Fund as administered."*

Also, earmarked levies collected from students are a form of restricted funds, which, according to Guidance Note on Accounting by Schools issued by the Institute of Chartered Accountants of India, are required to be credited to a separate fund account when the amount is received and reflected separately in the Balance Sheet.

Further, the aforementioned Guidance Note lays down the concept of fund-based accounting for restricted funds, whereby upon incurrence of expenditure, the same is charged to the Income and Expenditure Account ('Restricted Funds' column) and a corresponding amount is transferred from the concerned restricted fund account to the credit of the Income and Expenditure Account ('Restricted Funds' column).

On review of financial statements, it has noted that the school charges earmarked levies in the form of transport fee, activity fee and examination fees. The position of earmarked levies collected, and expenditure incurred by the school during the last three financial years has been derived as under:

Particulars	Transportation Fees	Examination Fees
For the year 2015-16		
Fee Collected during the year (A)	-	-
Expenses during the year (B)	18,08,471	45,201
Difference for the year (A-B)	(18,08,471)	(45,201)
For the year 2016-17		
Fee Collected during the year (A)	-	-
Expenses during the year (B)	15,41,768	1,05,250
Difference for the year (A-B)	(15,41,768)	(1,05,250)
For the year 2017-18		
Fee Collected during the year (A)	21,59,820	3,27,395
Expenses during the year (B)	16,47,546	1,44,461
Difference for the year (A-B)	5,12,274	1,82,934
For the year 2018-19		
Fee Collected during the year (A)	20,44,250	3,22,935
Expenses during the year (B)	18,32,633	1,86,731
Difference for the year (A-B)	2,11,617	1,36,204
Total	(31,38,622)	(14,247)

Based on the above, the earmarked levies are to be collected only from the user students availing the service/facility. In other words, if any service/facility has been extended to all the students of the school, a separate charge should not be levied for the service/facility as the same would get covered either under tuition fee (expenses on curricular activities) or annual charges (expenses other than those covered under tuition fee).

Unintentional surplus, if any, generated from earmarked levies must be utilized or adjusted against earmarked fees collected from the users in the subsequent year. Further, the school should evaluate costs incurred against each earmarked levy and propose the revised fee structure for earmarked levies during subsequent proposal for enhancement of fee ensuring that the proposed levies are calculated on no-profit no-loss basis and not to include fee collected from all students as earmarked levies.

- The school has not prepared Fixed Assets Register (FAR) for keeping track of fixed assets purchased by it. The school should prepare a FAR, which should include details such as asset description, purchase date, supplier name, invoice number, manufacturer's serial number, location, purchase cost, other costs incurred, depreciation, asset identification number, etc. to facilitate identification of asset and complete details of assets at one place.

During the personal hearing, school mentioned that it will start preparing FAR from FY 2019-2020 onwards. The school is directed to prepare the FAR with relevant details mentioned above. The above being a procedural finding, no financial impact is warranted for deriving the fund position of the school.

3. On review of financial statements for the FY 2017-18, 2018-19 it has been noted that the school is collecting the fees (tuition fee, annual fee) in cash from the students. Though the school has provided the cash receipt of cash collection along with the documents provided but in the absence of details i.e., total amount collected in cash and the same cash deposited into the bank, the purpose and genuineness of transactions cannot be determined. Therefore, the School is hereby directed to include such detail in audited financial statements of the subsequent year.
4. As per clause 103 on Related Party Disclosure, contained in Guidance Note 21 on 'Accounting by Schools', issued by the ICAI, there is a requirement that keeping in the view the involvement of public funds, schools are required to disclose the transactions made in respect of related parties.

From review of the audited financial statements of 2018-19, it has been noted that the School has not made any disclosure relating to related party transactions in its audited financial statements. In the absence of such details, the purpose and genuineness of transactions entered into between the related parties cannot be determined. Therefore, the School is hereby directed to include such details in audited financial statements of the subsequent year.

5. As per Section 18(5) of the DSEA, 1973, the management committee of every recognised private school shall file every year with the Director such duly audited financial and other returns as may be prescribed, and every such return shall be audited by such authority as may be prescribed.

Further, Rule 180 of DSER, 1973 states “ (1) every unaided recognised private schools shall submit the returns and documents in accordance with Appendix-1, (2) Every return or documents referred to in sub-rule (1), shall be submitted to the Director by the 31st day of July of each year.(3) The account and other records maintained by an unaided private school shall be subject to examination by the auditors and inspecting officers authorised by the Director in this behalf and also by any officers authorised by the Comptroller and Auditor General of India”

And Section 24 (2) of DSA. 1973 states “The Director may arrange special inspection of any school on such aspects of its working as may, from time to time, be considered necessary by him”.

Whereas Appendix-II to Rule 180 specify that “final accounts i.e., receipts, and payments account, income and expenditure account and balance sheet of the preceding year should be duly audited by Chartered Accountant.

It has been noticed that Financial Documents/ Certificates Attested by third person misrepresenting themselves as CA Members are misleading the Authorities and Stakeholders. ICAI is also receiving number of complaints of signatures of CAs being forged by non CAs.

To curb such malpractices, the Professional Development Committee of ICAI has come out with an innovative concept of UDIN i.e., Unique Document Identification Number which is being implemented in phased manner. It will secure the certificates attested/certified by practicing CAs. This will also enable the Regulators/Banks/Third parties to check the authenticity of the documents.

Accordingly, the Council in the 379th meeting of ICAI held on 17.12.2018 and 18.12.2018, made mandatory for all practicing member to obtain 18 digits UDIN before issuing any audits reports/ certification etc. in the following manner:

- All Certification done by Practising CAs w.e.f. 01.02.2019.
- All GST & Tax Audit Reports w.e.f. 01.04.2019.

- All other attest functions w.e.f. 01.07.2019.

However, on examination of the financial statements submitted by the school for evaluation of fee increase proposal for FY 2019-20, it has been observed that the financial statements of the school were certified by the Chartered Accountant without mentioning the UDIN as required by the council. This being the procedural finding therefore, the school management are instructed to ensure this compliance from the Auditor of the school.

After detailed examination of all the material on record and considering the clarification submitted by the School, it was finally evaluated/ concluded that:

- The total funds available for the FY 2019-20 amounting to INR 1,49,10,202 out of which cash outflow in the FY 2019-20 is estimated to be INR 1,65,24,294. This results in net deficit amounting to INR 16,15,092 for FY 2019-20 after all payments. The details are as follows:

Particulars	Amount in INR
Cash and Bank balances as on 31.03.19 as per Audited Financial Statements of FY 2018-19	65,375
Bank overdraft as on 31.03.2019 as per Audited Financial Statements for the FY 2018-19 (Refer Note 1 below)	86,848
Investments as on 31.03.19 as per Audited Financial Statements of FY 2018-19	18,19,820
Liquid Fund as on 31.03.2019	19,72,043
Add: Fees for FY 2018-19 as per Audited Financial Statements (Refer Note 1 below)	1,29,19,470
Add: Other income for FY 2018-19 as per Audited Financial Statements (Refer Note 1 below)	2,91,913
Total Available Funds for FY 2019-20	1,51,83,426
Less: FDR with joint name of School Manager and CBSE as on 31.03.2019	2,73,224
Less: Depreciation reserve fund (Refer Note 2 below)	-
Less: Development Fund (Refer Financial observation 1 & Note 3 below)	-
Less: Staff retirement benefits- Gratuity & Leave Encashment (Refer financial observation 2)	-
Net Available Funds for FY 2019-20	1,49,10,202
Less: Budgeted expenses as per the Budgeted Financial Statement for the Financial Year 2019-20 (Refer note 4 below)	1,65,25,294
Less: Arrears as per 7th CPC recommendations (Refer note 5 below)	-
Estimated Deficit	16,15,092

Note 1: Fee and income as per audited financial statements of FY 2018-19 has been considered with the assumption that the amount of income during FY 2018-19 will at least accrue during FY 2019-20 except the profit on sale of fixed assets amounting to INR 12,718. Also, the negative bank balance of INR 9,67,445 has also not been considered as no such detail has been provided by the school for such overdraft facility being taken and utilization thereof.

Note 2: As per the Duggal Committee report, there are four categories of fees that can be charged by a private unaided school. The first category of fee comprised of "Registration fee and all one Time Charges" levied at the time of admissions such as admission and caution money. The second category of fee comprises 'Tuition Fee' which is to be fixed to cover the standard cost of the establishment and to cover the expenditure of revenue nature for the improvement of curricular facilities like library, laboratories, science, and computer fee up to class X and examination fee. The third category of the fee should consist of 'Annual Charges' to cover all expenditure not included in

the second category and the fourth category consist of all 'Earmarked Levies' for the services rendered by the school and be recovered only from the 'User' students. These charges are transport fee, swimming pool charges, Horse riding, tennis, midday meals etc. This recommendation has been considered by the Directorate while issuing order No. DE.15/Act/Duggal.com/203/99/23033-23980 dated 15.12.1999 and order No. F.DE. /15(56)/Act/2009/778 dated 11.02.2009.

The purpose of each head of the fee has been defined and it is nowhere defined the usage of development fee or any other head of fee for investments against depreciation reserve fund.

Further, Clause 7 of order No. DE.15/Act/Duggal.com/203/99/23033-23980 dated 15.12.1999 and clause 14 of the order no F.DE./15(56)/Act/2009/778 dated 11.02.2009, "*development fee, not exceeding 15% of the total annual tuition fee may be charged for supplementing the resources for purchase, upgradation and replacement of furniture, fixture and equipment. Development fee, if required to be charged, shall be treated as capital receipt and shall be collected only if the school is maintaining a Depreciation Reserve Fund, equivalent to the depreciation charged in the revenue accounts and the collection under this head along with and income generated from the investment made out of this fund will be kept in a separately maintained Development Fund Account*". Thus, the above direction provides for:

- Not to charge development fee for more than 15% of tuition fee.
- Development fee will be used for purchase, upgradation and replacement of furniture, fixtures, and equipment.
- Development fee will be treated as capital receipts.
- Depreciation reserve fund is to be maintained.

Thus, the creation of the depreciation reserve fund is a pre-condition for charging of development fee, as per above provisions and the decision of Hon'ble Supreme court in the case of Modern School Vs Union of India & OINR: 2004(5) SCC 583. Even the Clause 7 of the above direction does not require to maintain any investments against depreciation reserve fund. Also, as per para 99 of Guidance Note-21 'Accounting by School' issued by the Institute of Chartered Accountants of India states "Where the fund is meant for meeting capital expenditure, upon incurrence of the expenditure, the relevant asset account is debited which is depreciated as per the recommendations contained in this Guidance Note. Thereafter, the concerned restricted fund account is treated as deferred income, to the extent of the cost of the asset, and is transferred to the credit of the income and expenditure account in proportion to the depreciation charged every year."

Accordingly, the depreciation reserve (that is to be created equivalent to the depreciation charged in the revenue account) is mere of an accounting head for the appropriate accounting treatment of depreciation in the books of account of the school in accordance with Guidance Note -21 issued by the Institute of Chartered Accountants of India. Thus, there is no financial impact of depreciation reserve on the fund position of the school. Accordingly, the depreciation reserve fund of INR 41,62,388 as reported by the school in the audited financial statements for the FY 2018-19 has not been considered while deriving the fund position of the school.

Note 3: Supreme Court in the matter of Modern School held that development fees for supplementing the resources for purchase, upgradation and replacements of furniture and fixtures and equipment can be charged from students by the recognized unaided schools not exceeding 15% of the total annual tuition fee. Further, the Directorate's circular no. 1978 dated 16.04.2010 states "All schools must, first of all, explore and exhaust the possibility of utilising the existing funds/reserves to meet any shortfall in payment of salary and allowances, as a consequence of increase in

the salary and allowance of the employees. A part of the reserve fund which has not been utilised for years together may also be used to meet the shortfall before proposing a fee increase." Over a number of years, the school has accumulated development fund and has reflected the closing balance of INR 10,72,850 in its audited financial statements of FY 2018-19.

Accordingly, the accumulated reserve of development fund created by the school by collecting development fee more than its requirement for purchase, upgradation and replacements of furniture and fixtures and equipment has been considered as free reserve available with the school for meeting the financial implication of 7th CPC to be implemented by the school.

Note 4: Depreciation being non-cash expense, it would not result in cash outflow. Thus, it has not been considered in the determination of fee increase for the FY 2019-20.

Note 5: As per order No. DE.15 (318)/PDB/2016/18117, dated 25.08.2017, the Managing Committee of all the private unaided recognized schools were directed to implement the Central Civil Revised Pay Rules 2016 in respect of the regular employees of the corresponding status in their schools with effect from 01.01.2016 as adopted by the Government of NCT of Delhi vide its circulars No. 30-3(17)/(12)/VII Pay Comm./Coord./2016/110006-11016 dated 19.08.2016 and No. 30-3(17)/(12)/VII Pay Comm./Coord./2016/12659-12689 dated 14.10.2016. Further, vide order No. F.DE.15/ (318)/PSB/2019/11925-30 dated 09.10.2019, the managing committee of all Private Unaided Schools once again directed to implement the recommendation of 7th CPC with effect 01.01.2016 within 15 days from the date of issue of aforesaid order.

Further, section 10 of DSEA states "*the scales of pay and allowances, medical facilities, mention, gratuity, provident fund and other prescribed benefits of the employees of recognized private school shall not be less than those of the employees of the corresponding status in school run by the appropriate authority*". Therefore, employees of all the private unaided recognized schools are entitled to get the revised pay commission. This legal position has been settled by the Hon'ble High Court long back at the in the matter of WPC 160/2017; titled as Lata Rana Versus DAV Public School & Ors vide order dated 06.09.2018 for implementation of sixth pay commission recommendations.

In this regard it is also important to mention that the DoE had asked the fee increase proposal from all the schools along with the impact of 7th CPC during FY 2017-18, but the school didn't get its fee increase proposal evaluated from the department. Now the school has applied its fee increase proposal for FY 2019-20 and has submitted salary arrears of INR 50,76,992 for implementation of 7th CPC separately post personal hearing although the same was not part of budgeted expenditure submitted by the school earlier.

In view of the above facts the arrears of INR 50,76,992 provided by the school has not been considered and the school is hereby directed to implement the recommendation of 7th CPC in full within 30 days from the date of issue of this order.

- ii. In view of the above examination, it is evident that the school does not has adequate funds for meeting all the operational expense for the financial year 2019-20. In this regard, the directions issued by the Directorate of Education vide circular no. 1978 dated 16 Apr 2010 states.

"All schools must, first of all, explore and exhaust the possibility of utilising the existing funds/ reserves to meet any shortfall in payment of salary and allowances, as a consequence of increase in the salary and allowance of the employees. A part of the reserve fund which has not been utilised for years together may also be used to meet the shortfall before proposing a fee increase."

AND WHEREAS, in the light of above evaluation which is based on the provisions of DSEA, 1973, DSER, 1973, guidelines, orders and circulars issued from time to time by this Directorate, it was recommended by the team of Chartered Accountants that along with certain financial and other observations that were identified (appropriate financial impact has been taken on the fund position of the school) and certain procedural findings which were also noted (appropriate instructions against which have been given in this order), that the sufficient funds are not available with the to carry out its operations for the academic session 2019-20. Accordingly, the fee increase proposal of the school may be accepted.

AND WHEREAS, it is relevant to mention that Covid-19 pandemic had a widespread impact on the entire society as well as on general economy. Further, charging of any arrears on account of fee for several months from the parents is not advisable not only because of additional sudden burden fall upon the parents/students but also as per the past experience, the benefit of such collected arrears is not passed to the teachers and staff in most of the cases as was observed by the Justice Anil Dev Singh Committee (JADSC) during the implementation of the 6th CPC. Further, it has to be seen that after Covid, which has affected the society at large, financial sudden burden to some extent may be avoided. Keeping this in view, and exercising the powers conferred under Rule 43 of DSER, 1973, the Director (Education) has accepted the proposal submitted by the school and allowed an increase in fee by 14% to be effective from 01 July 2022.

AND WHEREAS, recommendation of the team of Chartered Accountants along with relevant materials were put before the Director of Education for consideration and who after considering all the material on the record, and after considering the provisions of section 17 (3), 18(5), 24(1) of the DSEA, 1973 read with Rules 172, 173, 175 and 177 of the DSER, 1973 has found that funds are not available with the school for meeting financial implication for the academic session 2019-20.

AND WHEREAS, the school is directed, henceforth to take necessary corrective steps on the financial and other observations noted during the above evaluation process and submit the compliance report within 30 days from the date of this order to the D.D.E (PSB).
